JANUARY 2026

Souls Saved! The Last Joy Bag Report was a Great Start to 2026

Pastor Mendoza texted his report at the first of January. They were able to use the Joy Bags in the new church planting effort in Queretaro, Mexico at Christmas. He was thankful for the churches that help make the Christmas Joy Bags available throughout the world. He reported that 45 children and 25 adults made professions of faith. We praise the Lord for the pastors and churches that pray, organize and use the Joy Bags in an effective way. Thousands hear the gospel every year through this global effort, and hundreds came to faith in Christ.

Fear Abounds: The Gospel Advance for the heart of the Venezuelan People

We were missionary church planters in Venezuela for 12 years. The Lord led us to return to the states when our ministry was greatly hindered by the socialist revolution of Hugo Chavez. Recently, the Venezuelan president, Nicolas Maduro, was captured by the US military to face justice. Over the years, DirectLine ministry has sent food for pastors and hundreds of thousands of gospel scriptures and thousands of Joy Bags to assist the Venezuelan pastors and churches. The US military action in Venezuela gives hope to many that are still fighting for freedom. The ruling leaders have demanded a control over the people of Venezuela that limits their celebration or protest in the streets. These leaders have created a fear of the unknown throughout the country. This situation has started a new opportunity for churches to preach the gospel message of hope in Jesus. We need your prayers and partnership to send over 40 pastors gospel literature in the coming months. Please contact me for more information.

Spanish Gospel Training: Knoxville. TN - February 28

The greatest asset for a pastor is trained laborers. Please pray for us as we help train pastors and Christian workers in the east Tennessee area. If you are interested in starting a Spanish ministry or know of those that need training in evangelism to reach Spanish speaking people, then we are willing to assist. The training, material and lunch are provided at no cost. Please contact me for more information: (817) 360-8100

Needs for Remodeling the Training and Distribution Center in Mexico

Over 300,000 gospel scriptures are ready to be distributed through out Mexico this year. We are remodeling the DirectLine Ministry Training and Distribution Center step by step. Our trip this March to Saltillo, Mexico is to organize this year's Mexico gospel advances with pastors. We must lay tile in one of the classroom floors for the pastors' meeting in the Fall. Please pray about helping with the cost to finish this floor. The cost for tile, materials and labor is \$3000.

Thank you for your prayers,
