

GBS

Global Broadcast Source

BUSINESS PORTIFOLIO

ABOUT US

Gbs is a company to serve the Broadcast and Audiovisual industry in Latin America and the Caribbean.

With over 25 years of experience in the Communications Field in the Latam area, Gbs staff has ample knowledge of the industry's leading brands for ProAudio and ProVideo production.

Over 25 years serving the
Communications Industry

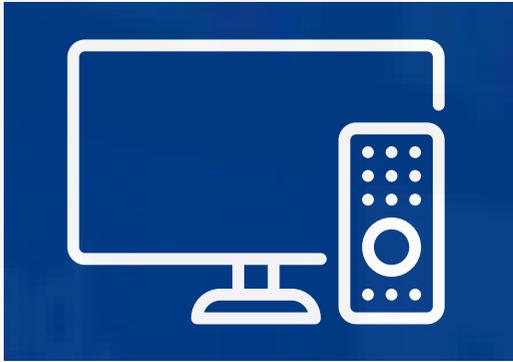

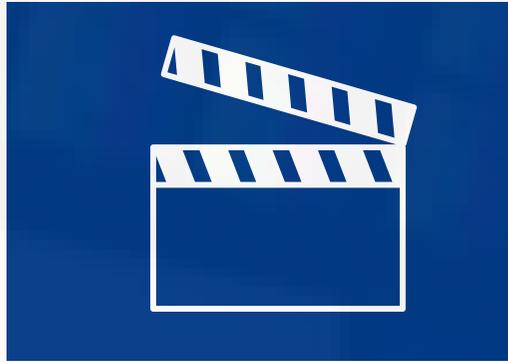

Gbs works directly with most broadcast and IT manufacturers and distributors to offer the best deals from their Miami location. We provide personalized attention to our customers and help them save by sourcing brand name products at best discounted prices and by extending to them our reduced shipping rates to all destinations worldwide.
