September 12, 2022

Dear Friend,

We are sorry to let you know that our Rolla Health Center (1032 B Kingshighway, Rolla) will be closing on September 30, 2022. This was a very difficult decision by our Board of Directors, but several factors have made it impossible for us to keep the health center open. **We have proudly served the Rolla area for more than 50 years and are honored that you chose us to provide you with healthcare.**

There may be a gap in your access to birth control. We will happily work with you before October 1, 2022, so you can stock up or extend your birth control prescription at the pharmacy.

WHERE TO GET HEALTHCARE AFTER SEPTEMBER 30, 2022

Planned Parenthood of the St. Louis Region & Southwest Missouri will be opening a clinic in our location (1032 B Kingshighway, Rolla, 573.364.1509, ppslr.org) and will be offering services on a sliding fee scale beginning in mid-October. If you decide to get healthcare here, you will see many familiar faces.

Four Rivers Community Health Center (1081 East 18th Street, Rolla, 573.426.4455, fourrivers.org) offers services on a sliding fee scale.

You can also search online at phelpshealth.org or mercy.net to find other healthcare providers in the area.

(If we are not providing the care, we can make no representations or warranties regarding the quality or cost of services from any of these providers.)

YOUR MEDICAL RECORDS

Your medical records will be kept private at all times. If you need copies, please call us at **573.364.1520** before **November 30, 2022**. After that date, all medical records will be stored off site and will be destroyed after the elapsed time allowed by law. After November 30, 2022, contact: IRON MOUNTAIN Release of Information 11333 East 53rd Avenue, Denver, CO 80239, denverroi@ironmountain.com, phone: 303.373.5764, fax: 303.576.6874.

Thank you so much for letting us help you take good care of your health. Our best wishes for a happy and healthy future for you and those you love.

Sincerely,

Lisa Ecsi Davis
