

# PRAYER FOR THE SEASON

— ✦ AUTUMN ✦ —

**As we enter Autumn, we are gathering together in prayer — making space to pause, reflect and seek God for all that lies in the season ahead.**

This October, join with Christians from across Wigan to pray for the season to come. Threats of war, talk of AI and the risk it poses humanity, crime on our streets – all these things are causing alarm and fear for the future.

We, who have a hope in the God who reigns over all, must pray for our churches, our communities and the wider world, and for all that God is calling us to this Autumn.
