## Good Neighbor Award

Do you ever wish to let your neighbor know how much you appreciate the extra things that they do for you and the community?

The Activities Committee thought that we would give you a chance to tell your neighbor how much you care. Please let us know your name, the name of your neighbor and the reason that you wish him or her to be honored. We will publish their names in the Cruce Lake Chronicles as our “Good Neighbor Award” winners of the month and they will receive an award.

You can drop these off with any HOA Board member.

Thank you!
