**CANADA ROAD / I 40**

Well, we have survived the first 6 months of a 2 1/2 to 3 year endeavor to construct a new interchange at I 40 and Canada Road. Using old time arithmetic (remember that ?) that computes to another 2 - 2 1/2 years until it is completed. O yeah, at a cost of \$28.2 million. Job security for a bunch of workers, no doubt. Of the existing businesses only the building housing the fireworks operation will be demolished. All others will continue.

Included in the project will be a new connector from Huff and Puff to Beverle Riviera. This noted here only to conjure an image of a warm Italian coastline while we in Davies are experiencing a little cold weather.

A separate endeavor is the New Canada Road project which will realign Canada Road from I 40 to U S 70. Costing \$12 million, construction is projected to start in 2017 or 2018. Environmental studies have been completed and land acquisition started. New Canada Road will wind through existing timberland between the existing Canada Road and Davies Plantation. Here's a thought. The loss of natural habitat may result in a decrease in the deer herd which is a concern to many. Then again, the deer may just establish colonies and live in our backyards. Don't panic, that won't happen. Well, probably not.

In the meantime, be careful driving in the construction areas. Even more so if you ride a bike or walk.

**Nextdoor Davies Plantation**

Please join this group. It will provide even better communication and crime prevention for our area. It is faster and more efficient than our current email system, plus it connects us with our neighboring HOAs.

**A Note from Davies Manor**

We desperately **need docents for the Manor House Tours**. We are open Tues through Saturday Noon to 4pm. Occasionally, we have school groups or senior groups who come earlier, and we need docent help with those as well. We have a printed tour script, but we encourage our docents to learn the information and each provide their own interpretation of the house and its history. Grounds tours are self guided, so all the "work" is inside. We will schedule you to train with one of our experienced docents until you will feel comfortable leading tours on your own.

We will hold our **annual docent luncheon** on Thursday March 26 at Hillwood with lunch at 11:00 am followed by a tour through the house and grounds, weather permitting. **Please call the office at [901-386-0715](tel:901-386-0715) to reserve a spot . Our office hours are Tuesday through Friday 10:30 to 4:30.**

**On June 27th, the 19th annual Ultimate 10K & 5K will be run through the Davies Plantation neighborhood.** More than 600 runners supported by about 100 volunteers will start and finish at St. Philip Church. **The race begins at 8am** and winds through the streets of Davies with a 5K course and a 10K course. After the race, there is a post-race party on the grounds of the church. This event is unique in that it is was set up to be the Davies neighborhood charitable event, something for which the residents of the neighborhood can be proud.

The run raises funds through sponsorships and race entries for our designated charity, Youth Villages. Over \$210,000 has been raised and donated to our charities. If you are not familiar with the work of Youth Villages go to the website [www.youthvillages.org](http://www.youthvillages.org). Youth Villages is a leading national nonprofit dedicated to providing the most effective local solutions to help emotionally and behaviorally troubled children and their families live successfully. This outstanding organization has its headquarters here in Bartlett.

**If you are interested in volunteering**, please call Paul "Spunky" Ireland at (901) 826-7496. **If you would like to enter the race go to the [www.ultimate10K.racesonline.com](http://www.ultimate10K.racesonline.com)**. Walkers are welcome and encouraged to enter the 5K and participate in the after race party. You can also participate by cheering the participants on race morning and by putting out sprinklers or misters along the course to cool them down as they run.

Please note that for a couple of hours there will be minor traffic disruption on race morning. Avoiding the intersection of Davies Plantation and Davies Manor from 7:30 until 9:30 will help keep runners safe and speed you on your way.

**Spotlight**

Each news letter an outstanding resident of Davies Plantation is recognized for achievements in their personal, professional and/or volunteer careers. If you know of a neighbor who you feel merits acknowledgement, please forward that recommendation to [davies.newsletter@gmail.com](mailto:davies.newsletter@gmail.com)

**Meet the Pickren Family**

We built our house and moved to Davies Plantation in the summer of 1995. We had searched for a wooded lot in a good school district as our girls were 4 and 6 years old at the time. This neighborhood was a great place to raise our children. They enjoyed neighborhood Halloween parties, Easter egg hunts, and picnics. We have had the best neighbors, past and present, who are friends for life! Jim is currently the 1st Vice President for DPHA and has served on the BOD for many years.

Jim is a Georgia native and proud graduate of Ga Tech. He designs and sells process equipment for the chemical industry. Susan is from South Carolina and a graduate of Agnes Scott College and the University of Memphis. She is a registered nurse at St. Francis Bartlett, working in the step down unit. We love to travel, make improvements to our yard (which has been a huge challenge), and are Memphis Grizzlies fans. You can find Jim in his shop just about every weekend working on his metal fabrication. We are active members of Grace Presbyterian Church.

Our girls Elizabeth and Jenny grew up in Davies Plantation. They had a pet sitting business during their middle and high school years called "Two Sisters Critter Sitters" They also babysat for many families in the neighborhood. Their business allowed us to meet many of the wonderful residents of Davies Plantation ( and their pets). Elizabeth is a graduate of Furman University and expects to receive her Doctorate of Pharmacy from UT Health Science Center in May. Jenny is a graduate of Millsaps College and is pursuing her master's degree from UT Health Science Center in Occupational Therapy. We celebrated Jenny's marriage to Sean Murnan on December 27, 2014.

Reverend John Michael Krech of Memphis was the officiant of the ceremony.

## DPHA Youth Fishing Day

Start practicing now for the third annual DPHA Youth Fishing Day. It will be held at Davies Plantation Park on free fishing Saturday in June. The Tennessee Wildlife Resources Agency (TWRA) has not announced the 2015 date. You can practice your techniques this winter when TWRA stocks trout in our lake on December 8th and January 15th. If you do trout fish remember that you need a trout stamp in addition to a fishing license if you are over twelve.
