

DAVIES PLANTATION HOMEOWNERS ASSOCIATION

Annual Picnic

Thank you **Walt Schrimper** for organizing the event and **Linda Blankenship** for organizing the children's activities!

In all around 240 people attended!

Park Dedication

It's official now. **The Davies Plantation Park celebration on April 22** brought Mayor McDonald and several Bartlett officials to make a semi-formal opening of the park. Although the park has been in use since last summer, no official opening had been observed. Nearly 200 of Davies Plantation neighbors attended and enjoyed free popsicles, balloons, game and music. It was a fun afternoon. Sponsored by the Davies Plantation Homeowners Association the afternoon's events had a "down home" atmosphere in a rural setting.

The members of DPHA who volunteered to help with the plans, set-up, etc. deserve our thanks for a lot of hard work. Also, thanks to St Phillip Church and the Boy Scouts who helped out.

Thank you **Paul Houglund** for organizing the event!

Each year over 600 runners gather to help raise funds for children and families served by Youth Villages. With most of the volunteers coming from the Davies Plantation neighborhood and St. Philip Church donating the use of their property, this has become not only a neighborhood event but a way for the homeowners to contribute to the community through its adopted charity. Youth Villages helps emotionally and behaviorally troubled children and their families live successfully. "In reaching out to more than 18,500 children and their families each year, Youth Villages has recorded success rates of around 80 percent -- compared with a 60 percent failure rate for traditional child welfare services. We measure our success in reunited families, in children who are able to live at home and do well in school."

PRESIDENT'S REPORT

DPHA has had several successful events this year including:

- Annual Chilli Off in February
- Annual Easter Egg Hunt in April
- Official dedication of Davies Park in April
- Annual Picnic in May.

I am particularly proud of the fact that we now have a unique natural city park in the heart of our neighborhood which has received well deserved praise from many neighbors. This took a lot of effort by many DPHA neighborhood volunteers over the past several years who provided input along with the DPHA Board working cooperatively with the Bartlett Parks and Recreation Department in developing the park. In addition, DPHA provided \$7000 from neighborhood funds for the children's swing, a picnic table, and 3 park benches.

Although I will not be running for President this year, I plan to continue serving on the DPHA Board. It has been a pleasure to work with such wonderful neighbors during the past 3 years as DPHA President. It has been quite an adventure and I've enjoyed learning the ins and outs of city processes and getting to know my neighbors better.

Special thanks to our DPHA Board and our band of regular neighborhood volunteers for their continued service and donation of their time and talents. Without dedicated individuals taking an active role in maintaining the neighborhood, Davies Plantation would not be the gem that it is.

Annual Meeting - Thursday, June 27

MEETING TO DISCUSS BARTLETT SCHOOLS REFERENDA

**William J. (Bill) Busler,
Area 2 Representative**

On August 2nd, the County-wide ballot will contain two important referenda for all citizens of Bartlett, including those of us who live in Davies Plantation. The first referendum deals with the establishment of a Municipal School District (MSD) in Bartlett. The second would approve a 0.5% increase of the sales tax within Bartlett, related to the funding of the Bartlett School System.

In preparation for these referenda, the Davies Plantation Homeowners Association will have a special presentation at our Annual Meeting on June 28th at Hillwood. I will present the case in favor of both questions; we hope that others will provide the opposing viewpoint. Mayor McDonald will be on hand to provide additional factual information and to answer questions.

I have been asked to prepare this brief synopsis in advance of the Annual Meeting.

HISTORY

About a year and a half ago, the Memphis City Schools Board voted 5-4 to surrender their charter, effectively merging it into the Shelby County School System. This vote was then approved by the City Council and the voters of Memphis. A federal district judge presided over the transition details, including the establishment of a Transition Planning Commission, and ultimately a 13-member Board to oversee the new "Unified" District, which is scheduled to begin operations in August 2013, with an estimated 150,000 students.

Meanwhile, the six suburban cities in Shelby County, including Bartlett, have with varying degrees of intensity begun to pursue the goal of establishing their own MSD's, effectively seceding from the Unified District. Originally, a referendum to do this in each city was planned for May 10th, but a Tennessee Attorney General's contrary opinion has delayed the vote until

August 2nd, in conjunction with the sales tax referendum and the County general election.

THE MSD REFERENDUM

If the citizens of Bartlett approve this question, the City of Bartlett is authorized to establish a new Bartlett School District, encompassing 11 schools and about 9,000 students. A five-member School Board will be elected on the November 6th ballot, and will as soon as possible thereafter appoint a Superintendent. The Superintendent will then select the administrative staff and faculty for each school, with the goal of opening in August 2013.

It is **extremely** important to remember that the *status quo* – Bartlett Schools being operated by an all-suburban County Board overseeing 56,000 students – is no longer an option. There will be only two possibilities after August 2013: 1. Bartlett schools will be administered, along with all the other public schools within Shelby County, serving 150,000 students, by the unified board, which in all likelihood will be comprised of 9 members from within Memphis, and 4 from suburban areas of Shelby County. 2. There will be a Bartlett School District of 11 schools and 9,000 students, administered by a Board of 5 citizens, all of whom are citizens of Bartlett.

Come to the DPHA Annual Meeting at Hillwood Lodge with Bartlett Mayor Keith McDonald to discuss more Thursday June 27th 7PM

Continued.....

FINANCING

At present, the cost of educating students in Shelby County is broken down as follows: about \$2,000 per student comes from Shelby County, through tax revenues. (This is true for students in Memphis as well as those in County Schools.)

County students receive another \$6,000 each from the state and federal government; within Memphis, the figure is about \$8,000, due to additional grants. (The state and federal funds are administered and “passed through” by Shelby County.)

Very important: This money will “follow” students, no matter what school system they are enrolled in – unified County, or MSD. In other words, Bartlett would not have to start from scratch in raising money to operate its school district.

However, state law requires that each community forming a school district demonstrate its commitment by setting aside an amount equivalent to 15 cents of its property tax rate to be used for its schools. Note that the law does not require the tax rate to be raised by 15 cents. However, if Bartlett did this, it would increase the taxes on a \$250,000 home by about \$94 per year.

An alternative proposal, set forth in the second Referendum, is to impose a 0.5% increase in sales tax within Bartlett. This would actually bring in far more revenue (\$3.6 million) than a 15-cent increase in property taxes (\$1.6 million). Not all of this money needs to be specifically given to the schools; some can go into the general fund. If the sales tax revenue were absolutely earmarked for the schools in the referendum, this would create a “maintenance of effort” benchmark that could never be reduced later on. If the second referendum passes, the cost of a \$100 bag of groceries would increase by 50 cents.

If it fails, Bartlett will probably raise property taxes.

CONCLUSION

This is probably the most significant issue we will ever have to vote on in Bartlett. Please plan on coming to the Annual Meeting. Meanwhile, if you have any questions, feel free to e-mail me at WBusler@aol.com.

Jim and Karen More moved into their house on Planters View in January of 1990, moving from New Fairfield, Ct. Both grew up near the Seattle area in Washington State but have also lived in Florida, Texas, California and Connecticut. Jim served in the Navy for 4 years and flew for both Flying Tiger Line and Fed Ex. Karen taught elementary school and worked in worship in various churches, last as Director of Contemporary Worship at St. Paul UMC, Lakeland. Both are retired and are enjoying traveling and camping and their children and 5 grandchildren. Their two daughters families live close by and gather often at their house for family week-ends. Jim has been hiking the Appalachian Trail completing about 1800 miles so far. He also is compiling an extensive family history using Ancestry.com. Karen enjoys reading Mystery books, crossword puzzles, jig saw puzzles, gardening, and her family. They've enjoyed living in Davies Plantation consider it a friendly place to live, with many good neighbors who look out for each other.

CERT

Community Emergency Response Team

One of the best ways to prepare for an emergency is to receive training through the **CERT** program. CERT is an acronym for **Community Emergency Response Team**. CERT is a training program that prepares you to help yourself, your family, and your neighbors in the event of a disaster. During an incident, emergency service personnel may not be able to reach everyone right away. By getting trained in CERT, you will have the skills to help emergency responders save lives and protect property.

As a member of a CERT team, you can respond to disasters, participate in drills and exercises, and take additional training. CERT teams are known and trusted resources to emergency responders and their communities.

CERT training takes about 20 hours to complete and provides critical skills in emergency preparedness and response.

Participants learn how to:

- * Identify and anticipate hazards
- * Reduce fire hazards in the home and workplace
- * Extinguish small fires
- * Assist emergency responders
- * Conduct light search and rescue
- * Set up medical treatment areas
- * Apply basic medical techniques
- * Help reduce survivor stress

CERT trained persons will be part of a network of responders that will be of great value to the community during and after a disaster. The Bartlett Fire Department offers CERT training on a regular basis. For more information contact: Laura Jenkins at 385-5536 or e-mail her at:

ljenkins@cityofbartlett.org.

CELESTIAL EVENTS HOTLINE

Would you like to observe the Moon and planets through a telescope? Do you have a telescope in your closet or attic and not know how to use it? Have you ever wondered what that bright star or planet next to the Moon is? Would you like to see the International Space Station moving across the sky? Do you know when the next spectacular meteor shower will occur?

One of our neighbors, Bill Busler (Area 2 Representative), has the answers to your astronomy questions. Besides sending out occasional e-mails to residents interested in knowing what's going on in the sky, he has begun regularly-scheduled "star parties" in our new neighborhood park.

If you would like to be included in the e-mail notification list and informed of upcoming celestial events, or if you have questions about astronomy or telescopes, get in touch with Bill at WBusler@aol.com.
