

2026 Grand Prix Open Water Challenge
Leaderboard after the 7-12-26 OWS Challenge

Swimmers must compete in at least two races to be eligible for Grand Prix Awards. Swimmers who register for a race with a USMS One Event registration are not eligible for Grand Prix awards, although they may be eligible for race awards if offered by the host. If they later register for USMS then they will be eligible for the Grand Prix awards and they will start to accumulate points once they join. The top ten swimmers in each race receive points which accumulate throughout the series. The top three in each category at the end of the series will receive the Grand Prix Champion awards. Swimmers who participate in all events will receive a full series participant award.
