

AZ Women for the Arts

In recognition of the societal value of art, Arizona Women for the Arts exists to support organizations and individuals devoted to the growth of the arts in Arizona.

Welcome Founding Members!

This is a great time and a great opportunity for this wonderful organization! Our greatest goal is to extend the legacy created by the Phoenix Art Museum League many years into the future with fundraising, friendships, appreciation and recognition of all the arts in Arizona.

Please find an updated directory of our Founding Members and Directors! (Corrections can be made at any time!)

Please find also an updated membership form for you to share with any friends, family and associates as more members means more fundraising, friendships and opportunities (This NEW membership form will be good through June 2020- which is the end of our fiscal year).
