

Tennis Court Usage & Reservation Guidelines

Play time is limited to 1-1/2 hours when courts are full and other members are waiting. This DOES NOT apply to league matches, tournaments, and club events.

Members are REQUIRED to sign the court board indicating the time they took their court. Members must take their court immediately upon signing the board or lose their court.

Members waiting for a court should sign the "waiting list" section of the court board. The waiting member shall inform those who have been on the court for the longest period exceeding their 1-1/2 hours that their time has expired. The players shall finish the game (not set) they are on and immediately give up their court in a courteous and polite manner.

Proper tennis attire is required at all times. Shirts MUST be worn. Only those wearing tennis sneakers will be permitted on courts. Black sole shoes on courts is not permitted.

Failure to follow these rules may lead to suspension of court privileges!
The court sign up board can be found outside of the Pro's office.

TOCC TENNIS GUEST POLICY

Members have the privilege to invite guests to play tennis at TOCC. Members are required to sign their guests in the guest register book - the green notebook is located in the basket next to the court sign up board outside of the Pro's Office. When signing the guest register, members should indicate whether the guest is "local" or not. Members will be billed a \$5.00 fee for each "local" guest. Guests are considered "local" if they reside within 50 miles of the club. Local guests are limited to 8 visits per calendar year. This policy was created for members to share TOCC experience with their friends while ensuring the value of club membership.

Thank You
