OUR VISION

At Kickstart Sport, we believe every child deserves the opportunity to develop their potential.

Whether they're taking their first steps in sport or looking to improve their performance, our academy provides structured coaching, quality development and competitive opportunities that help players build confidence, strengthen their skills and progress to the next level.

OUR TRAINING SESSIONS

Each training session is carefully planned to provide a balance between skill development, physical conditioning and game understanding. Sessions are divided into three key areas:

- **WARM-UP & ATHLETIC DEVELOPMENT** – Preparing players through movement, coordination, agility and fitness exercises.
- **TECHNICAL SKILLS & DRILLS** – Developing batting, bowling, fielding and catching through structured coaching.
- **GAME-BASED MATCH PLAYS** – Applying newly learned skills in realistic match situations to improve confidence, teamwork and game awareness.

OUR TRAINING SESSIONS

To ensure every player receives the attention they deserve, we maintain a maximum coach-to-player ratio of 1:14. Players are grouped according to their age and ability, allowing coaches to deliver appropriate challenges and personalised development for beginners, developing players and advanced athletes.

Throughout the season, players also participate in internal branch matches and academy fixtures, giving them the opportunity to apply their skills in a competitive environment while tracking their progress. These match days also provide families with the chance to support their children and celebrate their development throughout the programme.

WHAT YOUR CHILD WILL DEVELOP

- Develop Cricket Skills
- Build Strength & Coordination
- Grow Confidence
- Improve Concentration
- Encourage Teamwork
- Promote Sportsmanship
- Enhance Health & Fitness
