VISION

We strive to bring a sense of passion into netball and sport at The Kings School West Rand.

The skills offered at the clinic can be incorporated into their school practices and matches. Most importantly we want the children to enjoy the Saturday training sessions and learn new, fun and exciting drills and exercise.

TRAINING SESSIONS

The training sessions are divided into 3 areas:

1. Warm-up & Fitness
2. Skills & Drills
3. Match type situations

There will be a maximum of 14 children per coach, to ensure every child gets individual attention. The children will also be put into groups according to their skill set. Beginner, Advanced, Age group-specific etc.

Depending on the number of kids that attend, internal matches will be organised against each other once a term. This will also give the parents the opportunity to watch and support their children and see how much they have learned.
