

July 17, 2026

As the 2026/2027 school year approaches, we are making plans for our **In-town** transportation. Because your child/children used this service last year, we would like to extend the opportunity to you once again. To complete these plans, we will need to know if you need our service for the coming school year.

If you will need our service, please fill out both forms and return them with your first month's payment to our office no later than Wednesday, August 12, 2026. If we do not receive a payment and the completed forms from you by August 12, 2026, we will assume that you do not need our service. Parents, please keep a copy of our rules and payment policy for future reference.

Sincerely,

Theresa Fisher

Enclosed you will find "Student Rules of Conduct" and the payment policy for 2026/2027 KPTA transportation. Please read over both carefully and go over these rules with your student. Retain the rules and payment policy for future reference.

I have read and understood the "Student Rules of Conduct" for KPTA transportation, and I have explained the rules to my students. I have also read and understood the cost and payment policy for student passes.

Student Registration

The safety of our students is extremely important to us. To help ensure that all children are safe while riding the bus, we need your cooperation and support. We have made every effort to locate pickup and drop-off points away from roadways to provide a safer environment for students waiting for the bus. We **strongly encourage parents or guardians to wait with their child** until they board the bus. You must be present at the designated pickup point on time when the bus arrives in the afternoon.

Important Policy for Kindergarten through 5th Grade Students:

No K-5 student will be left at a drop-off location without an adult present. If no adult is present, the bus driver will **wait a few minutes**. If no one arrives, dispatch will **call** the student's home phone number. If a parent or guardian **cannot be reached**, the child will **remain on the bus and be returned to the Transit Office**.

Please take the time to review the enclosed bus rules with your child(ren). All passengers are expected to behave in a respectful and responsible manner while riding public transportation.

Inappropriate behavior of any kind may result in the suspension or loss of bus riding privileges.

Respect for fellow passengers, the driver, and the bus environment is essential to maintaining a safe and positive experience for everyone. Thank you for your cooperation and support.
