

KALKASKA AREA TRANSIT

Student Registration

July 21, 2023

As the school year for 2023/2024 approaches, we are making plans for our FA Schools transportation. Because your child/children used our service last year, we would like to extend the opportunity to you once again. In order to complete these plans, we will need to know if you are in need of our service for the coming school year.

If you will need our service, please fill out both forms and return them with your first month payment to our office no later than Wednesday, August 16, 2023. If we do not receive a payment and the completed forms from you by August 16, 2023, we will assume that you do not need our service. Parents, please keep the copy of our rules and payment policy for future reference.

Sincerely,

Theresa Fisher

Enclosed you will find “Student Rules of Conduct” and payment policy for 2023/2024 KPTA transportation. Please read over both carefully and go over these rules with your student. Retain the rules and payment policy for future reference.

I have read and understand the “Student Rules of Conduct” for KPTA transportation. I have explained the rules to my student. I have also read and understand the cost and payment policy for student passes.
