# QUAD CITY TENNIS CLUB

## NEW YEAR NEW NEWSLETTER

January 2023

*HAPPY 2023 Quad City Tennis Club Members, Supporters and Friends!*

Say "goodbye" to 2022 and Hello 2023! What an amazing year we've had here at the Quad City Tennis Club. From our Patio socials to Winter Camp week, we've seen more families and new faces come in this year than ever before. Thank you for all of your support, appreciation and commitment to not only the sports of Tennis and Pickleball, but to our Quad City Tennis Club community as a whole. We are so blessed to continue to serve a community as tight knit and passionate as you all and we are so grateful. We are looking forward to another great year in 2023!

To recap an amazing year – in 2022 QCTC had over 500 new memberships, hosted 9 USTA and 9 UTR tournaments (along with a number of in house organized Match Play opportunities), 5 major Pickleball tournaments, hosted 15+ special events, had over 250 players enrolled in our Academy and Junior Development programs, over 125 adults participating in our Adult Tennis programs, over 8,000 pickleball participants, resurfaced 9 brand new pickleball courts, brought on new and returning team members and so much more! In November, we had our highest grossing month in owner history – with over 150 new and returning memberships in just that month alone. To say the growth this past year has been phenomenal is an understatement. We can't thank you all enough – and we can't wait to see how much more we can do in 2023!

## 2023 COURT RATES

Starting February 1, 2023 QCTC is starting off the year with some reduced court rates! Starting on February 1st the court rates will be as follows:

Tennis – Monday-Friday – \$36/hour

Tennis – Saturday-Sunday – \$32/hour

Pickleball – Monday-Sunday – \$20/hour

Open Play Pickleball will remain \$5 Monday-Friday from 8am-12pm and 4pm-8pm, and the afternoon 12-4 will remain \$3. Open Play for Pickleball on Saturdays/Sundays (when available) will remain \$5 all day.

## NEW in 2023!

Starting February 1st QCTC will be introducing Walk-on Court Rates!

From 11-3pm Monday-Friday, members will have an opportunity to walk-on to any of our Open Tennis courts for a total of \$15. Individuals may "walk-on" to any empty court and be **guaranteed at least one hour of play time**, however, you may play for as long as the courts are available. Walk-on court rates are only available to QCTC members. These rates are not valid for any court reservations. If a court becomes reserved while a walk-on player is playing, the walk-on player may be bumped to another court and/or lose their court time to the court reservation. Court reservations take precedence over any walk-on court players.

Walk-on court players may use the ball machine (if available) for an extra \$5.

## First Racquet Scholarship Program

For those of you who are unfamiliar with our First Racquet program, it is the charitable arm of our mission at QCTC to serve players, families, community organizations and school districts in the Quad Cities area with racquet sport programming for little to no cost. We feel very strongly that Tennis & Pickleball are lifelong skills that can and should be available to ALL members of a thriving community. So we at QCTC provide both tennis & pickleball scholarships, equipment and top-tier instruction for Quad City residents that are interested in racquet sports but do not have the financial resources available to them. In 2020 the First Racquet Program partnered with the Boys and Girls Club of Mississippi Valley to provide tennis and pickleball lessons to over 60 players in the last three years. Throughout the year we also teamed up with both Moline and Rock Island Parks and Recreation and served over 80 Moline area players as well as over 40 Rock Island Players. We partnered with Quad City Area Adaptive Sports Association as well as RespectAbilities to host tournaments and regular play for a diverse group of participants with varying ability levels. The First Racquet program has also given out 12 Full Ride scholarships in 2022-23 to tennis players of all ages and has plans to continue giving back to our Racquet Sport community. Currently the First Racquet program is supported financially from the Ontiveros Family and a few other generous sponsors but we would welcome and appreciate greatly if you would also consider helping support these programs and club initiatives. Contact Club Director, Kourtni Barnes at [kourtnibarnes@quadcitytennisclub.com](mailto:kourtnibarnes@quadcitytennisclub.com) to learn more about how you can sponsor a QCTC racquet sport player.
