- Matches will be played in a Round Robin Format. Players may sign up individually (and be matched with another individual player) or sign up with a teammate.
- Teams are scheduled for competitive matches against a variety of teams with similar ability. Draws will be based on each team's combined NTRP scores (example: you are a 3.0 and your teammate is a 2.5, your draw would be based on your combined NTRP of a 5.5).
- This is a permanent partner mixed doubles league - meaning you will play with your partner (unless needing a sub) for the entire 6 week season.
- Players do NOT have to have an NTRP rating to join this league - if players are looking to get evaluated based on skill level, please call our Front Desk at 309-762-2400.
- Each match is best 2 of 3 sets or a 10 point tie breaker to decide
- A ranking system is used as an aid to schedule competitive matches.
- If a lower ranked team beats a higher ranked team, the lower team takes the spot of the higher team and the higher team moves down one spot.
