We now have six state of the art LED reverse lit indoor tennis courts and nine dedicated only indoor pickleball courts. All of the courts are heated and AC cooled in a comfortable, climate-controlled facility. We offer both junior and adult programming, including clinics, cardio tennis, and private lessons. We've been serving the Quad Cities since 1972, and have produced many great high school, collegiate, and professional players. QCTC prides itself on our commitment to excellence in customer service, premiere facilities, and an extensive offering of classes and lessons. In 2025 the club will be opening its state of the art Lawn Tennis Courts and Clubhouse. These 3 Rye Grass courts are one of a kind in North America and are sure to offer a tennis experience unknown in the USA midwest for decades. Our commitment to excellence is what makes QCTC the premier tennis club for the Quad Cities and surrounding region.
