### SPRING 2023 Program Descriptions

**4/24-6/18/2023**

<b>Ages</b>	<b>Class Name</b>	<b>Class Description</b>
<b>4-6</b>	<b>Tennis for Tots</b>	This program is designed for children ages 3-5 years old. Get your little one out on the courts early! During this Adult/Child class, you and your child will participate in a series of fun games and exercises that will build tennis skills and a love for the game!
<b>Green and Up</b>	<b>Match Play</b>	Match Play is designed for your child to drop in and play a singles or doubles tennis match against a player(s) of equal ability. Participants will be required to register by calling the QCTC office (309-762-2400) by 9am the day of participation. A QCTC tennis professional will help match players and organize the on court play time.
<b>6-8*</b>	<b>Red Academy</b>	This QCTA early tennis and athletic development class. That is a serious title for your young players to have FUN while learning to play tennis. We start with using QCTA Red Ball and USTA Net Generation guidelines to work on the ABC's (agility, balance, coordination) then moving onto sending and receiving skills used in tennis.
<b>8-10</b>	<b>Jump Start Orange</b>	This class is geared towards players ages 8-10 who are just learning the game of tennis for the first time, or who may be interested in playing tennis but not yet ready to commit to the Orange Academy class. This class will utilize USTA Net Generation guidelines to work on the ABC's (agility, balance, coordination) then moving onto sending and receiving skills used in tennis. This class is designed to get your player ready to enter the Orange Academy!
<b>8-10*</b>	<b>Orange Academy</b>	This QCTA class involves the next steps for young tennis players to improve their skills after playing Red Academy or coaches' permission. The class content involves continued improvement of the ABC's and tennis specific movement. Tennis fundamentals focus on stroke development along with direction, depth, spin and speed. Classes utilize drills, games, and competition.
<b>10-12</b>	<b>Jump Start Green</b>	This class is geared towards players ages 10-12 who are just learning the game of tennis for the first time, or who may be interested in playing tennis but not yet ready to commit to the Green Academy class. This class will utilize USTA Net Generation guidelines to work on the ABC's (agility, balance, coordination) then moving onto sending and receiving skills used in tennis. Players will build upon their stroke development and movement skills and work on more advanced tennis specific movements. This class is designed to get your player ready to enter the Green Academy!
<b>10-12*</b>	<b>Green Academy</b>	This next level builds upon the stroke and movement development attained in the Orange Academy. Coaches' permission or prior academy participation required to attend. Players will continue to develop the ABC's with more advanced tennis specific movement on a full tennis court. Player stroke fundamentals and tactics will continue to be developed using placement, depth, spin and speed.
<b>12-17</b>	<b>Pre-Academy</b>	This class is geared towards players ages 12-17 who are just learning the game of tennis for the first time, or who may be interested in playing tennis but not yet ready to commit to an Academy class. This class will serve players looking to get started with tennis and players with limited experience. The focus will be learning and reinforcing the basic fundamentals, continued improvement of the ABC's and tennis specific movement, as well as players beginning to learn the complete stroke package while applying these skills in singles and doubles matchplay.

12-17*	<b>Academy 2</b>	This class will serve players looking to get started with tennis and players with limited experience. The focus will be learning and reinforcing the basic fundamentals. The complete stroke package will be covered while learning how to apply them in singles and doubles matchplay.
*	<b>Academy 1/</b>	This class will prepare players for tournament play and the tournament pathway. Players attending Academy 1 level sessions will require permission of coaches or prior academy participation as well as a UTR score of at least a 2.0. This class will look at stroke fundamentals and production. How to set up point play opportunities using consistency, placement, spin and speed with serves and groundstrokes. Singles and doubles tactics will be developed. Players will develop and improve tennis specific movement through agility drills and age-based strength training. Our session match-play will be entered on the players UTR profile. Keeping in mind that UTR is just a tool that reflects the work the player does in their self-development.
*	<b>HP2</b>	<p>**The HP2 program will focus on players with a UTR score of 4.0-4.5. The goal of the HP2 program is to get players prepared for High School Varsity and Regular Competition / Tournament play.</p> <p>The QCTA HP program will set standards of tennis instruction for juniors. We will look to build the total athlete. The on-court training will involve instruction designed to develop the player who is playing UTR/USTA tournaments, high school tennis, college and beyond. There will be a balance for players of instruction and competition. Technical and tactical foundations will be developed. Each player will have matches recorded for UTR ratings and progress during the sessions. Keeping in mind that UTR is just a tool that reflects the work the player does in their self-development. The off-court training will consist of tennis specific footwork, agility and age-based strength training. We will also involve aspects of mental training involving mistake management, cognitive development, problem solving and goal setting.</p>
*	<b>High Performance</b>	<p>**The HP program is designed for High School Varsity players with a UTR score of 4.5 and above.**</p> <p>The QCTA HP program will set standards of tennis instruction for juniors.
