Hello Turner Members,

We just celebrated our 172nd anniversary on Saturday May 16th and I want to thank all those who helped in organizing and hosting this event. It was a very enjoyable evening for all in attendance and we were very proud to present years of membership milestones awards to many of our members.

Summer is finally near and we are presently current on all our bills including taxes, and this is now the time we will need continued support from members during the summer to keep a sound financial footing. We will have the honorary golf tournament on June 6th at the Wood golf course which is now renamed the Henry Cappa honorary golf tournament, and the New England district golf outing now called the Steve Shires new England golf tournament in August at Radisson greens in Baldwinsville. The national golf will be July 8th through the 10th in Akron, Ohio. And we send best of luck to all those participating in these event!

As we move forward my ask is that each member try to stop in at the club during the summer for an event or just a nice cold cocktail to help support us financially during the slower summer months. We will also be in operation with summer hours from now until September so please be aware of this before your visit down to the club! Please check the spirit or your weekly blast as to any events in the summer and for a notice of dinner dates and specials we will have during the summer. Be safe this summer and may the weather be good for all your summer outdoor fun.

PLEASE, COME ON DOWN AND SUPPORT YOUR CLUB!

With Turner Greetings

David Schmidt

President

P.S. I can be reached anonymously @ daveandlor@aol.com if there is any comment or suggestion or idea that you would like heard.
