Hello Turner Members,

Happy spring! We can finally see the warmer weather coming more regularly and before you know it will be summer. So what next? What will we come down to the club for during the summer? Well how about stopping in to sign your pill pool and enjoy a nice cool cocktail. Maybe we have a parking lot barbeque with a cornhole tournament. Maybe you play the lottery games which you can get at the club instead of stopping at the local gas station or convenience store. Maybe one of you has an idea for an event in the summer that we can put on, or you are going out for dinner or going downtown for an event, stop in at the club first for a refresher, our bartenders always enjoy members stopping in to say hello. You can always stop in on a Friday night for dinner or come on down to one of the many events that are happening at the club! And happening on May 18th we will put on our most important event of the year, the clubs anniversary party. We will be honoring a large group of members this year who have hit a milestone with their years of membership and this is a great way to recognize their accomplishment! So please sign up early so we can plan accordingly as this is always a fantastic gathering of the Turner membership and we truly hope you can attend. Also we are bringing back our Mother's Day breakfast buffet on May 12<sup>th</sup> which will consist of two seating's. One will be at 9:00 and the other at 11:00. Please make your reservations early so that we can make this a smooth and successful event.

Thank You to all those who have been dedicated to the club in whatever way it was that you were capable of in the past year as we have made up quite a bit of ground on catching up with taxes and overhead, along with improvements! We are in pretty good shape financially and we really need to keep it going anyway we can. Please participate at the club whenever you can and I know that by doing so we ensure that the club will continue to be on a strong footing moving forward. Also please think about purchasing or selling some of our STL tickets as this has been a driving force with our finances especially with paying the taxes!

As we move forward our continuing mission will be to increase membership. You will see more activity and talk centered on this goal and my hope is to build a MOMENTUM as strong as we did last year. I believe we currently have 5 new members for 2024 and I think we can do even better. We need every member to help drive this mission to increase members if we are to succeed! Please start thinking now of ways that we can increase membership and we will implement as many as possible. Again we are always on the lookout for some thoughts or ideas that will help us grow our Turner Family. And finally be on the lookout for our weekly blast from Judy to get the inside scoop on what is happening at the club.

### **PLEASE, COME ON DOWN AND SUPPORT YOUR CLUB!**

With Turner Greetings

Beginning this month (May), the club will be closed on Sundays & Mondays until October. Now that the nice weather is here, we know you all have outdoor activities to occupy your time.

Also, we will not have actual dinner specials on Fridays and will just be doing a "Pub menu" for the Fridays that the kitchen will be open. We know that many of you have camps, vacations planned, etc. for the summer so next month we will publish a list of the days the club will have the kitchen open for you. Bob has some great ideas for the summer menus so check in during the week or we will send them on to you during the weekly Blast that we send out. Just trying to cut some corners because we know that you have all been cooped up all winter & it's time to get out and enjoy the beautiful weather while we can!
