

Elementary Summer Program at Monroe Montessori School

The Elementary Summer program offer opportunities for children going into 2nd grade through 5th grade to work together on academics within classroom and outdoor environments. Students will complete classroom works and weekly themed hands-on projects in addition to recreational fun, nature walks, and school bus trips to a variety of meaningful destinations. This program runs from 8:30 a.m. to 3:30 p.m. daily.

Classroom works center around the theme of the week and involve reading, writing, and math skills as well as creative thinking and problem solving skills. Outdoor time includes additional hands-on activities, arts-n-crafts, recreation, water play and off-campus adventures (see flyer). Students return to the classroom by 3:00 p.m. for a review of the day before getting ready to dismiss at 3:30 from the elementary building. Before and after school care is available in from 7:00-8:30 a.m. and 3:30 - 6:00 p.m. in classroom A3 (former school office).

Summer Slide - It is important to keep your child's brain active and learning during the summer months. Not using or challenging your brain for 3 months has unintended consequences in young children. It is referred to as "summer academic loss" or "summer slide" and it's real! Studies have shown that children enrolled in summer programs are 2 years ahead of their peers by the time they reach fifth grade. It's easy to see the importance of continuing to develop critical thinking skills, academic confidence and cognitive ability throughout the summer. *Stop Summer Academic Loss. Study by Metametrics, Malbert Smith, III, Ph. D*

Give your child a great summer experience!

MONTESSORI ELEMENTARY SUMMER PROGRAM REGISTRATION

Summer Program is open to children ages 7-10 (going into grades 2nd - 5th). Classes are held daily from 8:30-3:30. Healthy summertime fun requires parents to provide hats and/or sunscreen on a daily basis.

Child's Name _____ Age _____

Parents' Names _____

Cell # _____ Cell # _____

Date	Emphasis	Tuition	Amount Due
1 June 19- June 23	Pacific Northwest Wild! Explore the wonders of the world right outside our front doors. We will learn about plants' wilderness, safety and local cultures. As part of this week we will explore the local wilderness and create some beautiful Pacific Northwest themed art to take home.	<input type="checkbox"/> \$275	
2 June 26 - June 30	Upcycled Art: We will be using everyday items in new ways to create beautiful pieces of art. We will work with a variety of art mediums to create projects for our young artists. Students will use pieces of broken dishes, magazines, wood, twine, yarn and many other items to create unique works of art.	<input type="checkbox"/> \$275	
July 3- July 7	<i>Clubhouse Care (Wed-Fri only): No Regular Summer School This Week</i> Clubhouse Care is available for a limited number of students only, Fee is \$70 per day which includes childcare from 7AM to 6PM. Half day option for up to 4 hours is \$35.	\$70 daily rate W Th F <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	
3 July 10 - July 14	Science Week: This week students will explore gravity, rocket science, and get their hands ooey and gooey with some chemistry experiments. Students will have a blast learning the scientific process as they carry out their experiments. We will even be creating and launching our own soda bottle rockets!	<input type="checkbox"/> \$275	
4 July 17- July 21	Poetry Week: Students will explore the world of poetry. Each day we will focus on a specific poetry style and students will write and illustrate their own poem. At the end of the week, each student will have a self created poetry book to bring home.	<input type="checkbox"/> \$275	
5 July 24 - July 28	Physical Fitness Week: This week is all about fitness, food and fun to keep our minds and bodies healthy. We will explore different aspects of a balanced lifestyle from exercising our muscles and brains to fueling up with nutritious and delicious recipes prepared by the students themselves. Hiking field trip included in tuition.	<input type="checkbox"/> \$300	
6 July 31- Aug. 4	Engineering Week: What is engineering? Why are engineers important to society? This week, students will be introduced to engineering and a sampling of the many types of engineers. Through hands-on activities, students will explore the basics of the engineering design process and how engineering and science are related.	<input type="checkbox"/> \$275	
7 Aug. 7 - Aug. 11	Fun with Math!: Join us for a week of math-themed games, mysteries, and hands-on activities. Students will explore how math is a part of their everyday lives, and even how to find math in nature.	<input type="checkbox"/> \$275	
8 Aug. 14- Aug. 18	Our City: Who is our mayor? What services does our city provide? Is it true our city uses drones? Join us for a week of exploration into Monroe's local government and voting. Students will visit City Hall and various departments and participate in mock events for first-hand experiences about how government works and the importance of voting.	<input type="checkbox"/> \$275	
9 Aug. 21 - Aug. 25	Fun in the Sun: We will soak up the sun and enjoy our time together in the outdoors this week. Activities will include field day events, as well as a water play, sidewalk chalk art, and a variety of sports and outdoor adventures. We will go on several field trips on our school bus for beach combing, forest hiking and lake swimming with Miss Mollie! Field trip fees are already included in listed tuition.	<input type="checkbox"/> \$300	
* Aug. 28- Sept. 1	Teacher prep week - School is closed. No Clubhouse Care programming available. Open House is Wednesday, Aug. 31st.	No School	

To register: Fill out registration form to the school office. Before and aftercare services will be added to the student's account at the end of each week and will be billed at the regular drop in service rate (no unlimited rate available during summer weeks).
