

Preschool-1st Grade Summer Programs at Monroe Montessori School

Summer Camp offers opportunities for children ages 3 through 6 to work in a Montessori classroom emphasizing self-directed development, refinement and progress. This program runs from 8:30 a.m. to 3:30 p.m. and offers indoor and outdoor activities. Half day classes from 8:30-11:30 are also available.

Summer Camp is focused on learning through discovery. Taught by experienced Montessori teachers, the summer program encourages choices of curriculum that include Practical Life, Sensorial, Mathematics, Language Arts, Science and Cultural Studies as well as the theme of the session.

While each morning students work on classroom activities, afternoons are a time when the teacher reads stories to the children, organizes group games and group interactions, as well as following up morning lessons with activities that reinforce the discovery of new ideas. There is also time set aside to enjoy summer, interact with friends, run through the sprinkler on special days and discover the great outdoors. The teachers have many local outings planned that will keep each day interesting, enjoyable, restful in the afternoon and just the right pace.

The before and after school program provides your child a warm, friendly environment consistent with the Montessori philosophy of respect, consistency and stability. Extended Day is available from 7:00—8:30 am and from 3:30—6:00 pm.

Please note: On warm, sunny days children may participate in outdoor water play. It works best if children bring their swimsuits to school each day. You will also need to pack a towel and a change of clothes along with a bag for the wet clothes. Also, please be sure to put sunblock on your children prior to arrival time. Sun hats and sun shirts are encouraged.

Give your child a great summer experience! Sign up today to ensure your child's spot at camp!

MONTESSORI PRESCHOOL-FIRST GRADE SUMMER PROGRAM REGISTRATION

Summer Program is open to children ages 3 to 6 (going into 1st grade). Classes are held daily from 8:30-3:30. Registration need not be for consecutive weeks. Both full day and half day classes are available with priority given to full day students during registration. This summer we will offer a separate classroom for students going into kindergarten and 1st grade. Healthy summertime fun requires parents to provide hats and sunscreen on a daily basis.

Summer Fun!

Child's Name _____ Age _____

Parents' Name _____

Cell # _____ Cell # _____

Date	Emphasis	Full Day 8:30-3:30	Half Day 8:30-11:30	Amount Due
1 June 19- June 23	Sunflowers: This week we will explore the many parts of a sunflower. Why is it called a sunflower? Do sunflowers follow the sun? Each child will plant a sunflower seed in a special pot to grow at home. We will also study the Van Gough sunflower painting and practicing our own still life sunflower art work to bring home.	<input type="checkbox"/> \$275	<input type="checkbox"/> \$195	
2 June 26 - June 30	Gardening: This week we will explore the art of gardening while we learn about maintaining a garden, how to use gardening tools, and how to plant fruits and vegetables. We will also learn about what we eat, where our food comes from, and what plants need to grow. Each child will also plant a pumpkin seed or pea plant to take home. We will also experiment with vegetable art.	<input type="checkbox"/> \$275	<input type="checkbox"/> \$195	
* July 3- July 7	Clubhouse Care (Wed.-Fri. only): <u>No Regular Summer School This Week</u> <i>Clubhouse Care is available for a limited number of students available on a first-come, first-serve basis. Fee is \$70 per day which includes childcare from 7AM to 6PM. Half day option is \$35.</i>	<input type="checkbox"/> \$70 daily rate W Th F <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> \$35 daily rate W Th F <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	
3 July 10 - July 14	Farm to Table: Tractors, combines, harvesting and more!! This week students will learn the process of how the food we eat gets to the table. We will learn how to grind corn to make our own cornbread, and how we can make butter in a jar. Each child will get to make a carrot racer and race them on our zucchini racer ramp at the end of the week. We will also learn about healthy snacks and how to prepare them ourselves.	<input type="checkbox"/> \$275	<input type="checkbox"/> \$195	
4 July 17- July 21	Farm Animals: Horses, goats, lamas, cows, pigs, rabbits and more!! This week we will learn about the many farm animals roaming the farm and might get a visit from some special farm animals!
