

# Preschool-1st Grade Summer Programs at Monroe Montessori School

Summer Camp offers opportunities for children ages 3 through 6 to work in a Montessori classroom emphasizing self-directed development, refinement and progress. This program runs from 8:30 a.m. to 3:30 p.m. and offers indoor and outdoor activities. Half day classes from 8:30-11:30 are also available.

Summer Camp is focused on learning through discovery. Taught by experienced Montessori teachers, the summer program encourages choices of curriculum that include Practical Life, Sensorial, Mathematics, Language Arts, Science and Cultural Studies as well as the theme of the session.

While each morning students work on classroom activities, afternoons are a time when the teacher reads stories to the children, organizes group games and group interactions, as well as following up morning lessons with activities that reinforce the discovery of new ideas. There is also time set aside to enjoy summer, interact with friends, run through the sprinkler on special days and discover the great outdoors. The teachers have many local outings planned that will keep each day interesting, enjoyable, restful in the afternoon and just the right pace.

The before and after school program provides your child a warm, friendly environment consistent with the Montessori philosophy of respect, consistency and stability. Extended Day is available from 7:00—8:30 am and from 3:30—6:00 pm.

Summers can be hot! Please be sure to put sunblock on your children prior to arrival time. Sun hats and sun shirts are encouraged. We will reapply sunblock throughout the day as needed. Please send a bottle of sunscreen with your child’s name on it, as well as a refillable water bottle each day.

Give your child a great summer experience! Sign up today to ensure your child’s spot at camp!
