WILL YOU ACCEPT THE CHALLENGE?

Each month, we share a new challenge and work together to alleviate some of the most pressing needs for members of our community. Please help spread the word by encouraging your friends and neighbors to accept the challenge. Together, with our collective minimal effort, we can raise each other up. Just imagine what we could do if we all just contributed One Box!

HOW YOU CAN HELP

1. **Follow us** at Facebook.com/oneboxchallenge or visit oneboxchallenge.com to see the challenge of the month
2. **Accept the challenge** and buy one item in the category of the month.
3. **Make your donation** by:
 - **Porch Pick-Up.** To remove barriers to small one-box donations, we offer porch pickups on the **4th Tuesday of each month**. Email oneboxchallenge@gmail.com or DM us with your address and we'll add you to our pick up schedule.
 - **Drop Off or Delivery.** Email oneboxchallenge@gmail.com or DM us for the address. Think how easy it is to ship via Amazon, Target, Costco and all your favorite stores. We provide a 24/7 delivery option that is monitored by camera and checked daily.
