

PARIS DECO OFF JANUARY 2027

Sample Workroom Itinerary:

The information listed below is an example of what Decor Tours could arrange, but does not include all daily group activities, nor is it to be viewed as the actual January 2027, schedule. As per the information listed on the webpage, actual plans cannot be made any sooner than October 2026, and will not be finalized until Jan 2027. This is due to the fluid nature of Paris Deco Off and our goal to create a unique, engaging schedule based on what PDO participants offer, new openings/activities in Paris at the time of our visit, and other factors.
