

Who are the Colorado Titans?

The Colorado Titans is an AAU Club Basketball Program founded in 2006 by Bruce Gamble. In 2008, Rick Jimenez took over the reigns of Director and the program is now going on its 15th year of existence. The Colorado Titans is a 501c3 non-profit organization that allows young men and women in the state of Colorado to play the game of basketball. In 2019, the Colorado Titans fielded 35 teams throughout the course of the year with players coming in from all across Colorado and Wyoming!

How many teams do you have?

The number of players who participate in tryouts each season determines the number of teams that we field each year. We are a competitive program and not all of the kids at tryouts will be selected for a team. For the 2020 season, we are projecting at least two teams for each age group, ranging from U9 / 3rd to U17 / H.S. Juniors for the current 2019-2020 school year.

How are teams selected?

Colorado Titans have a 2-day tryout for an hour and half each day in March. Players are evaluated by the Titans coaching staff, then ranked individually overall as well as by position. Following a thorough and objective evaluation process, players selected for the Gold team are offered roster spots first. When the Gold team has been confirmed, players selected for the Black team will receive team offers. If there are enough players for a third team, players will be offered spots on the White when the Black team has been filled.

How will players be notified of team selection?

Players/families will be notified if their son has been selected to a Colorado Titans team within 96 hours after tryouts are completed. Once notified by email, players/families will have between eight to twenty-four hours to decide if they would like to commit to the team that they have been selected for.

How many players are selected per team?

Our goal is to have 10 players on each team. This allows the organization to be more cost effective. Additionally, 10 player teams ensures that we will have enough players to field a team in tournaments when players can't play due to injuries, vacations, school functions, family functions, etc. There are some circumstances in which we do carry more than 10 players, but our players' families are aware of this unique situation.

Where are practices located?

Practices will be held at three different locations throughout the year; Erie Middle School, Soaring Heights K-8 in Erie, Aspen Ridge Prep School in Erie, and Alexander Dawson in Lafayette. All locations are within 7 minutes of one another.

Where are games located?

League Play & Tournaments for U9-U13 will be held at the Power-To-Play facility in Windsor, they may also play a tournament at schools through out the Denver Metro area. U14 – U17 will only play in weekend tournaments through out the Denver Metro area.

How often do you practice?

April and May – two to three times per week. One day is designated as player development.

June and July – two times per week.

Team Practices last an hour and a half. Player Development Sessions last for an hour.

What time are practices held?

Practices are held in the evening and start at 5:30. Start times can vary depending on location of the practice site. Practice schedules will be posted by March 27th, 2020 for the months of April and May. Practices for June and July will be posted by May 27th, 2020.

Examples of practice times are the following:

5:30pm to 7pm, 7pm to 8:30pm, 6pm to 7:30pm, 7:30pm to 9pm.

Practice times are based on age of teams, coaches availability, and gym availability.

How long does the season run?

U14 – 17 seasons will start with practices in late March/early April and will conclude in late July. Our teams usually play in eight to ten tournaments over the course of the spring/summer season. For these age groups we will not officially practice during the month of June so that all players can attend camps with their High School Programs. During the month of June, we will offer open gyms for our teams/players to come in and play in the evening.

U9 – U13 season will start with practices in late March/early April and will conclude in July. This age group of teams will play in leagues/tournaments, April through July. Will then take a two week break from May 18th until May 31st.

Our fall season begins in September and runs through November 10 for all age groups. During this time we focus on skill/player development and small games from within our program.

Our winter season begins in November and runs through March. This season is only for our U9 - U14 age groups. We will play in the Gold Crown League, Power to Play or the Premier League as well as local tournaments. Tryouts for our winter teams will take place in late September of 2020. Practices will start come November of 2020.

How do you select coaches?

Our Staff comprises 30 coaches who have been selected by the Director and approved by the Board of Directors. Many of our coaches have been with our program for more than 10 years! Our coaches all have extensive backgrounds with the game of basketball and communicate exceptionally well with young men and women. Many of our coaches are currently coaching at the high school level or have done so in the past. We also have some coaches who were once Titan players and are now giving back to the players in our program. We have two coaches per team.

Travel Tournaments

We do travel to out of state tournaments each year so that our players will be able to receive exposure on the national scene. The national tournaments that we play in are viewed by many college coaches from around the country. Over the years, we have traveled to California, Texas, Nevada, Kansas, Washington, Oregon, Arizona, Wisconsin, Minnesota, and Illinois. The main teams to travel are the older age groups U15 – U17; Gold and Black Teams. We do travel once or twice with our U14's.

For the 2020 season our top teams will be part of the Prep Hoops Premier Circuit. Travel Schedule will be the following:

Kansas City, MO	April 17th – April 19th
Chicago, IL	April 24th – April 26th
Boise, ID	May 8th – May 10th
Dallas, TX	July 9th – July 12th
Anaheim, CA or Seattle, WA	July 16th – July 19th
Las Vegas, NV	July 22nd – July 26th

What are the club fees and what do they cover?

The Colorado Titans is an all-inclusive organization, meaning that once the fees are set by the Board of Directors for the 2020 season they will not be changed. All travel is included in our fees for the teams that travel to out of state tournaments. This includes flights, hotels, and van transportation.

U13 – U17 team costs will range from \$1900 - \$5800 (depends on number of traveling tournaments)

U9 – U12 team costs will range from \$1000 to \$1800.

The fees you pay go to the following: Accounting, admin work, Team Snap, uniforms and gear for the players, coaching costs, tournament fees, and insurance. Costs vary from team to team.

What does my club fee NOT cover?

When we travel, daily food and entertainment is not covered. We do try to stay at hotels, such as Embassy Suites, that include a daily breakfast.

When are the club fees due?

Families have the option to make monthly installments or to pay the entire fee at the parent/player meeting in March. For families who choose to make payments, the first payment will be due before the parent/player meeting to hold their player's spot on the team for which they were selected. After the initial payment, other due dates will be April 1, 2020, and May 1, 2020. Traveling teams will have additional dates of June 1 and July 1, 2020.

College Exposure

We will do everything possible for every player in our program to reach the next level. We believe in player development and teaching the game through fundamentals. We have many contacts at the college level and our success rate over the past few years has been remarkable in terms of players playing at the collegiate level. You can look at our alumni page here:

<http://coloradotitans.com/Alumni.html>

What does the Colorado Titans Expect out of your son/ daughter?

We expect all players to attend all practices and games. This is a competitive program, and we need everybody's full attention as we teach our brand of basketball. Our brand consists of 100% effort at all times, willingness to take constructive criticism, leave your attitude at the door, and be the best teammate possible. If you embrace our brand, you will become a better basketball player and be part of the Titans Family for Life! The Titans Basketball Program does understand the values of family, school functions, church functions, spring sports at the Middle School/High School Level and will work with all players/families in relation to the above listed.

Do you have a mailing list?

Currently we do not have a mailing list. All information in regards to our program is posted on our website at www.coloradotitans.com.

Whom do we contact with additional questions or concerns?

Rick Jimenez - 720 -231-0528 - jimener@comcast.net
