Boat Racing & Hot Rod Relations

Three days of fun surrounded by a gathering of Vintage Speed Boats Classic Cars and Trucks.

by HD Video Creations

Hydroplanes small to large, V Drive runabouts, and Cracker Box speed boats will be running on a predestinated course just in front of the club house all while the finest classic cars, trucks and vintage static boats are on display. Friday 3:00pm Do Whop Cruise to the Lady Luck Garage located at 4010 Main St, Kelseyville California.

Drive along the shores of Clear Lake to the Lady Luck Garage and back by 5:00pm for the 50s outfitted sock hop dance. Wear your best 50s outfit and dance to the Tattooed Cherry's. Check in time 5:00pm to 5:30pm only. Tasty hors d'oeuvres and more will be available. This event will be filmed, edited and produced by HD Video Creations.

THIS IS GOING TO BE REALLY GOOD!

RV PARKING AVAILABLE on Golf course

CUSTOM MADE TROPHIES

NOTRE DAME REGISTERED

On Sunday May 19th cruise your classic back to the Car Truck & Boat show to an 8:00am pancake breakfast and attend the awards ceremony at 2:00pm where there will be Nine Custom made one of a kind trophies awarded to the winners.

The 1939 Notre Dame was designed and built by Dan Arena. It was the third race boat to have the 1926 Dusenber, w-24, engine. The first two were built by Horace Dodge Jr. Boat Works.

On Saturday May 18th cruise on back by 8:00am and start your day off with coffee, donuts and a Show & Shine for static vintage boats, cars and trucks.

Also 8:00am Kicks off a full day of vintage speed boat racing action off the shores of the Buckingham Golf and Country Club.

This event will be filmed, edited and produced by HD Video Creations.

This famous, one of a kind, Dusenber engine, set many records during its career, and it won many races. ie, The Gold Cup, The Silver Cup, The President 's Cup, and others; some more than once.

Hydroplanes small to large, V Drive runabouts, and Cracker Box speed boats will be running on a predestinated course on the lake in front of the club house all while the finest classic cars, trucks and vintage static boats are on display.

Famous Car Builder Roy Brisio will be attending this years Buckingham Test & Tune of 2024

In 1940, the Notre Dame set the World's one mile speed record of 100.987 MPH, and held the 2 1/2, 15, and 30 mile heat speed records as well.

1969 Clear Lake at Aurora in Nice

There was a day when local V-Drive boats littered Clear Lake California.

V-drive is a propulsion system for boats the consists of two drive shafts, a gear box and a propeller.

In a "V-drive" boat, the engine is mounted in the rear of the boat.

Come on you local V-Drive Captains, get your V-Drives Registered today.

Where are you going to be Friday May 17th Saturday May 18th and Sunday May 19th? Right where you ought to be, the Buckingham Test & Tune 2024

Register now. 707-900-8188

Maybe Not II REGISTERED

THE MAYBE NOT II was a true Lake Tahoe barn find. This boat was custom built for the Fleishhacker family in the early thirties.

The history of this boat reaches back to the early thirties with two Lake Tahoe Championships. She originally had a Liberty 12 aircraft engine. The boat was custom built by the Nuns Brothers Boat Yard in Sausalito in Marin County Ca. She is a 22 ft long single step hydro, originally with front rudder and a canvas covered deck. She now has a 392 Chrysler Hemi with 2 4-barrel carbs and an external mounted rubber.

Currently owned by Dan and Barbara Foster

AMERICAN THUNDER

American Thunder, owned by Joe Bullock and registered to attend this year's Buckingham Test & Tune of 2024.
