

*"Where compassion is care."*

HOMESIT LLC

## Companion – Non-medical Support

**Title:** Companion

**Reporting to:** Human Resources Department

**Position:** Employee

**Tax Filing Form:** w4

### Company Description

Homesit LLC is a leading homemaker and companion service agency. Our focus is to provide quality, non-medical support for our clients at home or in a facility.

We act with diligence, loyalty, dedication, and strength. We solve problems while creating solutions with a long-term positive result. We desire compassionate, empathetic, and consistent employees to perform companion services as outlined per Client as assigned.

Our focus is to provide comforting support services for individuals and their loved ones right at home. So, why wait to apply? We take accountability for our actions, implement real teamwork, understand core values, and drive hospitality.

### Role Description

This is a part-time on-site role at Homesit LLC. The Employee will be responsible for providing a sense of connection and performing administrative functions like documenting daily required reports, charting any unperformed duties during changes in your shift, and verifying any important Client information as it relates to the Company.

### Qualifications

- High school diploma or equivalent
- Previous companion service experience with a Company preferred
- Excellent communication skills
- Empathetic, caring and social
- Customer service experience
- Companionship experience as a companion

### EDUCATION:

High school diploma/GED

Some college education, attending college is OK

Homemakers are welcome to apply
