Our Theme this Quarter: “It’s an Inside Job”
Rev. Thomas will be leading with this theme.

Dear ISA Members and Friends,

As we look ahead to our gathering on **Saturday, March 14th and Sunday, March 15th**, I am filled with gratitude for the dedication and spiritual commitment each of you brings to our ISA community. This new quarter invites us to deepen our inner work, strengthen our fellowship, and continue walking our spiritual paths with purpose.

We will meet at **Golden Light Spiritualist Church, 209 N John St., Highland, Michigan 48357**. Rev. Cathy will be sending hotel information for those needing reservations, along with details regarding the meals and the suggested donation to the church.

Rev. Cathy will share details on hotel reservations and meal donations once they are available.

Saturday, March 14th

Our weekend begins at **9:30 AM**, when our talented mediums will be available to offer spiritual insights and readings. This time of connection is healing and always a meaningful way to open our gathering.

The **Golden Light Spiritualist Church** will graciously provide our **noon meal**, giving us time to share fellowship and community throughout the day.

At **3:00 PM**, Rev. Cathy and I will be offering a short **mini-workshop**. The focus will simply be on Spiritualism itself. Our practice, our principles, and the ways Spirit continues to guide our unfoldment. We will reflect on how Spiritualism supports our daily lives, how Spirit works with each of us individually, and how our personal growth strengthens our community as a whole. Our intention is to prepare our hearts and minds for the rest of the weekend, creating a calm and centered space before we move into the evening’s deeper work with Rev. Thomas.

At **5:00 PM**, the church will provide dinner, allowing us to pause, nourish ourselves, and enjoy one another's company before entering the spiritual work of the evening.

After dinner, at **6:30 PM**, we are honored to welcome **Rev. Thomas**, who will present his workshop, "**It's an Inside Job.**" His message will guide us inward, reminding us that the most profound spiritual work begins within the quiet places of our own being.

I am also pleased to share that **Rev. Pat will have the booklet "FORMS" ready for our convention**, ensuring that all preparations for our booklet continues smoothly and on schedule. Thank you, Pat, for your steady and reliable support.

Sunday, March 15th

On **Sunday morning at 10:30 AM**, we will gather for our regular church service, which I will be leading. This service will offer us a moment to center ourselves, honor Spirit, and bring the energy of the weekend into a shared sacred space.

Following the service, the **Golden Ligh Spiritualist Church will provide lunch** as our closing fellowship meal for this March quarterly. We will meet again in June at the Mother Church, and I look forward to a summer weekend of connection, learning, and spiritual renewal.

As we move into this new Spring season, may we each remember that Spiritualism is not only a Science, Philosophy, and Religion, but also a lived practice, one that calls us to listen inwardly, act compassionately, and walk our path with integrity and purpose. Our community thrives because of your presence, your service, and your willingness to grow.

May God and the Angels bless you and keep you always.

Rev. Mahala D. Bacon ISA President
