Dear Members and Friends,

☐ **Special Event – Friday Evening, December 12, 2025**

In addition to our regular Saturday and Sunday schedule, we are honored to host:

- A **Short Worship Service** led by Reverend Cathy Dorr.
- Immediately following, a **Special Circle-Séance** facilitated by Reverend Cathy Dorr and Reverend Mahala Bacon.

This unique event offers a sacred space for spiritual reflection and collective participation. ☐ *All are welcome and encouraged to attend.* ☐

Itinerary of Events

Friday, December 12 – 6:00 PM Eastern Time

- Short Worship Service
- Special Circle-Séance (all participants invited to share Spirit communication)

Saturday, December 13

- **9:00–11:00 AM Eastern Time** – Spirit Readings (15 minutes each, by available ISA mediums; suggested donation \$20)
- **1:00 PM Eastern Time** – Business Meeting
- **6:00 PM Eastern Time** – Workshop with Rev. Thomas: *Artificial Intelligence – As Above, So Below*

Workshop Description: Artificial Intelligence is the newest technological creation reshaping our world. Is technology truly new, or does it mirror what has already unfolded biologically? Created by humanity, AI performs tasks we can do—often more efficiently. As AI learns to think for itself, it begins to resemble humanity, moving in both good and challenging directions. This dynamic reflects our relationship with God, the Creator. The fall of Adam and Eve was not disobedience but awakening—created in God’s image, they could choose and influence creation for good or ill. *As above, so below*. In this workshop, Rev. Thomas will guide us in exploring these profound parallels.

Sunday, December 14

- **11:00 AM Central / 12:00 PM Eastern Time** – Sunday Morning Service: *“Listening is an Art”* with Reverend Mahala Bacon

Closing

We look forward to your presence at both the Quarterly Meeting and the Circle-Séance. Your involvement enriches our community and ensures that our gatherings remain meaningful and inspiring.

With gratitude and blessings,

Reverend Mahala Bacon ISA President
