***I thank God for being my faithful
Loving companion.***

I am on my own special path in life, and my journey, not my arrival, is what is important. Every day of my journey, I give and receive blessings.

Even in the most challenging of times, when it seems I am required to go the extra mile, I find that I can do it. I discover that I have more courage, wisdom, and strength than I ever before dreamed I had.

I have more because God is replacing whatever I use even faster than I can use it. So I take time to savor every day of my journey.

I have taken my path not by chance, but because I have divine appointments to keep. And I know that God is my companion all along the way.

“As he was setting out on a journey, a man ran up and knelt before him, and asked him, Good Teacher, what must I do to inherit eternal life!”

Mark 10:17
