Dear Members, Churches, Students, and Friends of the ISA.

As we prepare to gather on June 13th and 14th at the mother church, my heart is filled with gratitude for each of you who continues to uphold the light, the work, and the purpose of Spiritualism.

Every season brings its own lessons, and this one reminds us of resilience, renewal, and the quiet strength that comes from walking our path with Spirit as our guide.

This year has already asked much of us, patience, flexibility, compassion, and clarity. Yet through it all, the ISA community continues to show what it means to live our principles, to support one another, and to keep our movement grounded in truth, healing, and service.

Our June gathering will offer us time to reconnect, learn, and deepen our understanding of each other. We come together not only to conduct the business of the Association, but to nourish our spirits, strengthen our bonds, and reaffirm the purpose that unites us.

I encourage each of you to arrive with an open heart and a willingness to receive whatever Spirit places before you. Whether through a message, a class, a healing moment, or a quiet conversation, there is always something waiting to bless us when we gather in harmony.

Thank you for the work you do in your churches, your communities, and your personal spiritual practice. Thank you for the love you bring to this movement. And thank you for walking this path with integrity and devotion.

May Spirit guide our steps, uplift our thoughts, and bless our time together in Grand Rapids.

With Warmth and Appreciation, Blessings and Love,

Rev. Mahala D. Bacon, Th.D. President
