

## Do You Often See Repeating Numbers? Here Is What It Means

It happens often that we see these numbers 11:11, 12:12, 10:10, 22:22, 12:34, 2:22, 3:33, 4:44 or 5:55, while watching the clock or that these same numbers to appear in the most unexpected places.

### **What does it all mean?**

Seeing more and more the master numbers, or a series of double or triple numbers, and the frequency with which this happens is accelerating, to the point that now we can no longer speak of a simple coincidence. The phenomenon is taking on a rather common place happening, and many agree on the fact that there is an extended meaning. Possibly acoded message for us that comes from the spiritual world.

Among the master numbers the more frequently seen is 11 and particularly in its dual form, 11:11 . But what does it mean?

**The meaning is that a Greater Reality has been inserted into our everyday life.** It is taking place a fusion between our “universe” and our physical bodies. This transforms our DNA. The next time you see the 11: 11, stop and feel the subtle energies around you.

### **11: 11 is a wake-up call sent to you or to yourself**

A reminder of **your purpose here on Earth**. Usually, during these times of heightened energy or accelerated personal change you will notice much more frequently 11: 11. Seeing the Masters numbers is ALWAYS a **confirmation that you are on the right path**.

### **One memory stimulus: 11:11**

Whenever we see the numbers 11:11, our cellular memory store is activated. I can stimulated a connection (nod) to the memory of something that we have forgotten. The appearance of 11: 11 is a powerful confirmation that we are on the right track and we are aligned with the Greater Reality.

**11: 11 is an insertion point through which the Higher Reality enters the present moment.** When it happens, it's time to stop and expand your vision. We can enter the Greater Reality. You can release a desire, having a vision, ask for help for something specific or simply feel the Invisible insert moment.

### **Seeing the 11: 11 is always a beneficial act of Divine Intervention**

It suggests that it is time to look around and see what is reality and what is illusion. It is time to separate the illusion because keep us confined in an illusory frequency. You have been chosen because you are **ready to enter the Greater Reality**; to make way for others into a new way of living, Upper Love; to ascend from duality to Oneness.

## Master numbers

Then there are the repetitive **Masters Numbers**. Masters Numbers are multiple numbers such as **11, 22, 33, 44, 55, 66, 77, 88 and 99**. These numbers belong to the Greater Reality based on Unity rather than duality.

**Each Master Number is a level of initiation that we all must go through during our evolutionary journey on Earth.**

Sometimes, we can be triggered by a number greater than the Master as: 111, 222, 333, 444, 555, etc. Each of these has a unique resonance which affects us and enables us to a deep cellular level.
