BLESSING FOR A CHURCH

By James Dillet Freeman

This is God's house.

May we who come here not only find out about
God, but find God.

May there be beauty in this place, but especially
may it be a place

where men and women become aware
of the beauty in themselves.

May this be a place of worship.

May this be a place of instruction.

May this be a place of singing.

May this be a place of prayer.

But for us who worship and take instruction and
sing and pray, may this always be a place of

inner stillness, where we may listen
and hear when God speaks.

May whoever ministers here minister in love.

May whoever teaches here teach truth.

May whoever serves here serve pleasantly.

May everyone come into this house in
expectation and go with thanksgiving,
and may anyone who comes needing help
go feeling blessed.

May this be such a house that Jesus Christ – or
any stranger, even one of the least – would feel
in it that He was with friends. Amen

LORD'S PRAYER

ISA SPIRITUALIST PRINCIPLES

1. We believe in Infinite Intelligence
2. We believe that the phenomena of nature,
both physical and Spiritual, are the expression
of Infinite Intelligence.
3. We affirm that a correct understanding of
such expression, and living in accordance
therewith constitute true Religion.
4. We affirm that the existence and personal
identity of the individual continue after the
change called death.
5. We affirm that communication with the so-
called dead is a fact, scientifically proven by
the phenomena of Spiritualism.
6. We believe that the highest morality is
contained in the Golden Rule, "Whatsoever you

would, that others should do unto you, do you
likewise unto them."

7. We affirm the moral responsibility of the
individual, and that he makes his own
happiness or unhappiness, as he obeys or
disobeys nature's physical and spiritual laws.

8. We affirm that the doorway to reformation is
never closed against any soul here or hereafter.

9. We affirm that the precepts of prophesy
contained in the Bible are scientifically proven
through Mediumship.

HEALING PRAYER

I ask the great unseen healing force
to remove all obstructions
from my mind and body,
and to restore me to perfect health
I ask this in all sincerity and honesty,
and I will do my part
I ask this great unseen healing force
to help both present and absent ones,
who are in need of help
And to restore them to perfect health,
I put my trust in the love
and power of God
Amen

7 SPIRITS OF GOD AFFIRMATION

*from the "Book Of Co-Creation" by Barbara Marx Hubbard
[Modified 12OCT2020 from I to WE to for group reading]*

WE ARE LOVE

We love God above all else, our neighbor as our self, and our self as a natural Christ.

WE ARE WISDOM

We recognize what is breaking through from what is breaking down. we identify with what is breaking through,
We release what is breaking down.

WE ARE FAITH

We know there is a perfect design of Creation. Each of us is a vital element of that design. We know that we are acting in perfect harmony with that design.

WE ARE COURAGE

We know that we are not working alone. We are surrounded by mighty companions, on this earth and in the universe beyond. Together we work towards inevitable victory.

WE ARE PATIENCE

The timing is not in our hands. We live in eternity, but we act in the present. We are totally fulfilled. We surrender all need to know the timing, and we act in total joy.

WE ARE POWER

To the degree that we empower others, we are now empowered.

WE ARE SURRENDER

Not our will but thine be done,
in earth as it is in heaven.
