***I joyfully declare my oneness in spirit with
All humankind***

Today, this very moment, is the perfect time to renew my sense of oneness with all humankind. I begin my closing my eyes and seeing neighbor helping neighbor in times of need. I envision children laughing and playing together in perfect harmony. I picture caring people from every nation holding hands, encircling the earth. I see each person allowing God to speak through him or her so that love and compassion reign.

I give thanks for the opportunity to be a loving brother or sister to those closest to me as well as to those in the farthest reaches of the world. I know there is no separation between us, no barrier or boundary that the love of God cannot overcome.

Renewed in spirit and filled with thoughts of love, I declare my oneness in spirit with all humankind.

“All the heavenly beings shouted for joy.”

Job 38:7

A NEW YEAR’S PRAYER

Heavenly Father walk beside us through our homes and churches. Remove all worries, heartaches, sorrows, and illnesses. Watch over our families and friends, send Angels with healing vibrations to all.

Where there is chaos and agitations, let there be calmness and peace. Where there is darkness with shadows and negativity, let the Pure White Light of GOD illuminate us and keep each in its glow all of our days.

Help each of us to open our minds and hearts to receive GOD”s blessings of Love, Forgiveness, Thankfulness, Joy and Gratefulness in our very souls. Let these blessings remain in our day to day activities, so that we continue to grow wiser in all that we say or do.

Help each of us to take advantage of the opportunities and possibilities that GOD sends our way each day.

Let GOD’s abundance and prosperity rain down upon all of His children

We ask this prayer in the name of The Christ, who came to show us the way to Love and Honor our Creator AMEN
