***My faith is a growing belief in the power of God
in me and in my world.***

*Sometimes a challenge may come up suddenly as if
a raging storm is overtaking me. What do I do!*

*I remember that when Jesus and His disciples were
in a storm at sea, He calmed the waters with these
words: "Peace! Be still!" Then He asked the disciples a
question, "Where is your faith?" which was an
awakening call of faith in God for the disciples. And this
same timeless message of faith reaches out to me now.*

*Where is my faith today? I put my faith in the
power of God within me and within my world. If there is
a storm cloud of controversy or inharmony threatening
the peace of my life, I remember to say, "Peace Be still!"
and to have faith in the power of God to bring me safely
through.*

***"He woke up and rebuked the wind and the raging
waves: they ceased, and there was a calm."***
