I am prosperous, for God blesses me—heart and soul!

Prosperity is so much more than having enough money to pay bills and buy new things. True prosperity is an abundance of all kinds of blessings: loving friends, harmonious relationships, true happiness, and inner peace.

I may have a job to earn money or provide some service that someone is willing to pay for, but what can I do to earn happiness, joy, and peace? The good news is that I do not have to earn these blessings! God provides for my prosperity so that I am blessed by spiritually enriched living!

As I work with God, I open myself to a whole world of abundance. God already knows my needs and the desires of my heart. In my partnership with God, I am assured of receiving whatever blesses my heart and soul.

“God is able to provide you with every blessing in abundance.”

2 Corinthians 9:8
