**Prestigious Brdnsky Guide**  
**America's Midwest Evidential Medium and Intuitive Teacher**

Rev. Falcone has earned an associate in Nonprofit management and a bachelor in the Science of Psychology. He has also served on several nonprofit executive boards.

Rev. Falcone has authored books in Spirituality, self-improvement, and continues producing quality material for those interested in Spiritual matters. He produced a newsletter that started out as *Bridging the Gap* which morphed into *Xolton's Gnostic Thread*. As this periodical continued to grow, he moved it to the internet where he continues to write columns on science, philosophy, and religion.

Rev. Falcone has been bridging the gap of Science, Mysticism, and Religion by combining his education with an ethical approach. By using multiple Spiritual philosophies, he has formulated a more comprehensive picture of Mystical and Occult teachings.

Rev. Falcone is a Master Instructor of mystical teachings that include Clairvoyance, Dream Interpretation, Psychometry, Meditation, Mediumship, and Ethics. His classes are open to anyone who has a desire to learn. He facilitates classes weekly and serves several organizations, churches, and private groups upon request.

Rev. Falcone is an artist. You may see his work in art shows in the Midwest and his website BRDNSKY (bird in sky) Arts & Crafts, LLC (brdnsky.com). This website was established with the purpose of displaying art and disseminating information for those seeking to become actualized, enlightened, or awakened. He facilitates two art enrichment classes weekly.

Rev. Falcone has learned that people are in search of something that lies within. Yet, they search outside themselves for an elusive sense of being. His passion and mission are to assist those who want to grow and take control of their lives. As all great masters know, there is a desire to know and understand that power which seems so elusive. He knows that insights and a new perspective allows for informed choices. As a result, a more comprehensive and fulfilling life is available.
