

# Everyday Clairvoyance

Facilitated by Rev. Phillip Falcone.

**We invite you to discover how you use clairvoyance every day,  
and how you can build from there.**

The only instances of clairvoyance we are familiar with are those that have drawn the attention of the general populace. You may know these people of interest as Nostradamus, Emanuel Swedenborg, John Edwards, and James Van Praagh, to name a few. There are few records of the everyday occurrences because they are everyday occurrences and therefore have little value. The more mundane aspect of clairvoyance rests with our self-concept, which is nothing more than our idealized self, which is typically based on what others have said about us.

This is what we often project.
