Performance Bond

KNOW ALL BY THESE PRESENTS, That we Allied Services, LLC dba Republic Services of Bridgeton as Principal and Travelers Casualty and Surety Company of America of CT authorized to do business in the State of MO as Surety, are held and firmly bound unto The City of Wildwood as Obligee, in the maximum penal sum of Eight Hundred One Thousand Three Hundred Twenty Dollars and 00/100 Dollars (\$ 801,320.00) lawful money of the United States of America, for which payment well and truly to be made we bind ourselves, our heirs, executors and assigns, jointly and severally, firmly by this Bond.

WHEREAS, the Principal has entered, or is about to enter, into a written agreement with the Obligee to perform in accordance with the terms and conditions of the Residential Solid Waste, Recycling and Yardwaste Collection, Hauling, Processing and Disposal (hereinafter referred to as the Contract), said Contract is hereby referred to and made a part hereof;

NOW, THEREFORE, the condition of this obligation is such that if the above name Principal, its successors and assigns, shall well and truly perform its obligation as set forth in the above mentioned Contract, then this Bond shall be void; otherwise to remain in full force and effect pursuant to its terms.

Notwithstanding anything to the contrary in the Contract, the Bond is subject to the following express conditions:

1. Whereas, the Obligee has agreed to accept this Bond, this Bond shall be effective for the definite period of August 1, 2023 to July 31, 2024. The Bond may be extended, at the sole option of the Surety, by continuation certificate for additional periods from the expiry date hereof. However, neither: (a) the Surety's decision not to issue a continuation certificate, nor (b) the failure or inability of the Principal to file a replacement bond or other security in the event the Surety exercises its right to not renew, shall itself constitute a loss to the Obligee recoverable under this Bond or any extension thereof.
2. If there is no breach or default on the part of the Obligee, then the Surety's performance obligation under the bond shall only arise after:
  - a. The Obligee has notified the Principal and the Surety in writing at their respective addresses of the alleged breach with a detailed description thereof, and has requested and attempted to arrange a conference with the Principal and the Surety to be held not later than fifteen (15) days after receipt of such notice to discuss methods of performing the Contract; and has made available during the notice period all books, records, and accounts relevant to the Contract which may be requested by the Principal or Surety. If the Obligee, Principal and Surety agree, the Principal shall be allowed a reasonable time to perform the Contract; but such an agreement shall not waive the Obligee's right, if any, to subsequently declare a Principal default;
  - b. The Obligee has declared the Principal in default and formally terminated the Principal's right to complete the Contract, provided, however, that such default shall not be declared earlier than twenty (20) days after the Principal and the Surety have received the notice as provided in "a" above; and
  - c. The Obligee has agreed to pay the balance of the Contract price to the Surety in accordance with the terms of the Contract or to the such contractor as may be tendered by the Surety to the Obligee.
3. No claim, action, suit or proceeding, except as hereinafter set forth shall be had or maintained against the Surety on this instrument unless such claim, action, suit or proceeding is brought

or instituted upon the Surety within six months from termination or expiration of the bond term.

4. Regardless of the number of years this Bond is in force or the number of continuation certificates issued, the liability of the Surety shall not be cumulative in amounts from period to period and shall in no event exceed the amount set forth above, or as amended by rider.
5. Any notice, demand, certification or request for payment, made under this Bond shall be made in writing to the Surety at the address specified below. Any demand or request for payment must be made prior to the expiry date of this Bond.
