The Problem

TRAINING DOZENS OR HUNDREDS OF PEOPLE AT A TIME HAS BECOME A REAL PROBLEM

- **Cost & time** burdens in many sectors
- Inconsistent **quality** of trainers
- Sectors where training is **mandatory**

Banks . Securities Companies . Cryptocurrency Investigations .

Distributed Teams & WFH

Regulators: FinCEN. FINTRAC . SEPBLAC . MAS

Solution: AI Training Officers

Meet Lisa, One of Your New Digital Training Officers

Our AI generated Training Officers guide learners through short courses, with meaningful interactive quiz material after each 1-4 minute training video:

- Lisa delivers world-class micro-training in ANY subject from Financial Wellness to Interview Skills to Cybersecurity!
