TO WHOMSOEVER IT MAY CONCERN

Date: - 09-11-2021

This is to certify that **Food4Thought Foundation** always had been a great support to **JOSHConnect Foundation**, (an NGO run E-Philanthropic Platform), to combat the global hunger crisis by raising awareness and collecting monetary and food donations.

Food4Thought Foundation hosted various events throughout the year 2020 & 2021 in **Washington U.S.A** and provided contributors with engaging services in exchange for their donations, while also raising awareness, to support the Campaigns running on JOSHConnect Foundation platform to address hunger and malnutrition in India specially when people were suffering with natural calamities like Cyclones and recently in Pandemic

Their support really helped thousands of homeless and Jobless with Grocery Kits, Cooked Meals and Milk for small kids on Assam, Orissa and Maharashtra States of India.

During the course of Volunteering and Support, **Food4Thought Team** has shown great amount of responsibility, sincerity and a genuine willingness to learn and zeal to help people. In particular, their coordination skills and communication skills are par excellence and their attention to details is impressive.

Because of empathy and compassion, their team brought so much support to less privileged people while showing immense gratitude to their event supporters by connecting to them individually.

We wish the Food4Thought Team all the very best for their future.

With regards,

Founder & President, JOSHConnect Foundation
