At Martini Shar-pei!! our strive is to Produce happy, healthy dogs in both show and companions with good temperaments and matching the owner with the right dog for them and their family.

This questionnaire will help me to determine the needs and desires for the right puppy for you. Feel free to add comments.

Completion of this questionnaire does not guarantee that a puppy will be available for you. Puppies personalities and abilities are matched with each prospective owner's lifestyle and needs along with what the new owner has told us that they are looking for in a puppy with temperament, conformation, and personality being the final determining factor.

I hope you will agree that the puppy's welfare must be foremost consideration when choosing a perfect fit. Please answer questions as completely as you can. This is the first step to beginning what may be a life long relationship!

Thank you!

May I do a home inspection before placing the puppy with you? If not close by will you do a facetime video of your home so that I may see where the puppy will reside?

If at any time you are unable, unwilling to keep this puppy the puppy must be returned to me at your expense! This is to ensure that none of my puppies ever end up in a shelter/rescue. Do you agree to this requirement for getting one of my puppies??

Please include any other information that you may want to share.
