OCTOBER: Month of Change/Reformation

October is upon us! October is a month of change – leaves turn color and fall off trees; the land becomes “flat” again, as crops are harvested, and the view is not blocked by corn or bean fields; days become cooler, and sweaters and hoodies are more appropriate (for older folks) than shorts and flip-flops (which younger folks tend to wear longer). And in October, the lessons on Sundays are parables and stories which Jesus tells during Holy Week, final messages he has for his followers, and lessons for the Pharisees and others who were challenged by what he said.

At the end of October, we celebrate Reformation, where we remember Martin Luther, and how he thought he could change the Catholic church. Instead, his followers ended up breaking away from the Catholic church, and eventually called themselves “Lutherans,” which Luther did not appreciate. There are no 9th grade students this year, so we will not celebrate confirmation on Reformation.

October also marks the beginning of my second year as your pastor. How has the time gone so quickly? I am still learning things, but my feet are a bit more under me, and things are starting to sound a bit familiar – I remember X (vaguely) from last year! I am glad to be here with you, and hope there will be many more years of partnership with you.

First Lutheran Church

Pipestone, MN 56164-1166

Dear First Lutheran Church,

Thank you for your gift of \$255.83 to ELCA World Hunger.

Since we are justified by faith, we have peace with God through our Lord Jesus Christ, through whom we have obtained access to this grace in which we stand; and we boast in our hope of sharing the glory of God (Romans 5:1-2).

As a church, we believe that God's grace is freely given to us. This brings us peace and hope. It makes a difference in our lives. Through your gifts to the ministries of the ELCA you share this amazing grace with others and help people around the world feel the transformational power of God's love.

Your generosity is getting at the root causes of hunger and poverty in over 60 countries, including the United States. It provides access to clean water, health care, agriculture, livestock, education, and peace and justice. Through your gifts you join the whole church in working toward a just world where all are fed.

Thank you for your gracious gifts. The glory of God shines through you.

In Christ,

Amanda White

The ground in front of the egress window in the youth room will need to be dug out and replaced with rock. There is also a patch of shingles missing on the north side of the Fellowship Hall roof. We will need to get a boom truck to reach it and replace those shingles. One item they continue to work on is how to reroute the water from the bell tower.
