Another newsletter arriving to you means another month has passed and a new month is unfolding. Where does the time go? I think of the passage from Ecclesiastes 3, "To everything there is a season and time for every matter under heaven." As we continue to live during this time of pandemic and recovery, I continue to think, what is God's purpose? Where is God in all of this? What time is it now? What season is it? As I write this we are at the end of April and we have not seen a clear sunny day for at least a week and we have temperatures in the 30's and 40's"! Where are the flowers? Where is the sunshine? Where is warm spring weather? What is God's calm reassuring presence? What time and what season is this? Can anyone else relate to my ranting?

In my ranting I pause and I think of Scripture and breathe in and breathe deeply and say, "To everything there is a season and a time for every matter under heaven." I breathe slowly and say, "Come Holy Spirit, renew me Holy Spirit." Try it. Breathe deep and slow. When we are frantic and are feeling like life is out of control or we wonder where God is, we miss God because we are

not looking for God. We need to remember that God is in our life. As we continue to face and cope with different seasons in our life such as, COVID, school year ending, wedding season, graduation season, the season of travel and time at the lake, may we know that God in all of our seasons.

Look ahead to what awaits us. We have the promise of God going before us to show us the way. We have the promise of God that this is the day he has made, let us rejoice in this day and the here and now. Rejoice that hours of daylight are growing. Rejoice that you are healthy and able to see family. Rejoice that masks are being worn by people. Rejoice that in the midst of struggles and pain, grace sufficient for each day comes to us as we listen for God's gentle word of hope and healing.

May is the month of endings and beginnings. School is ending for kids and summer activities are beginning. Graduation is occurring as youth end high school and venture to college or work. Some are ending their college days and entering the work force. Some are ending work and entering into retirement. Some are ending living in their own homes and downsizing to apartment. For some ending of life as they know it because of the death of a loved one and a whole new way of living is beginning. What is ending in your life and what is beginning?

Hold on because in all our endings and beginnings, in all the changes and unsettledness, we have a God who does not change. I think of the verse from Hebrews 11:1, "Now faith is the assurance of things hoped for, the conviction of things not seen." There is our hope during these crazy days of 2021. We may not see what is beginning for us and we may be going through challenges, but faith is knowing that there is a time for everything. We can be confident in the future not because of whom we are but because of who God is.

So this month of May, may you pause, breathe deeply of God's presence and go into the month confident that God goes with you.

Walk in the light of his love,

Pastor Joyce

Loving God,
We thank you for the love of the mothers you
have given us, whose love is so precious that it
can never be measured, whose patience seems to
have no end. May we see your loving hand
behind them and guiding them. We ask you to
bless them with your own special love. We ask
this in the name of Jesus, Amen.

Happy Mother's Day!

Cultivating Generous Congregations – April 2021

Dr. Martin Luther King once said, "Everybody can be great, because everybody can serve." What is one thing that you do in your everyday life to serve others? (These responses are from a conversation at FLCW, "Journeys with Angles" Bible Study in April.)

Barb: I do errands for friends or offer to drive them.

Marge: Listen to them if they open up – be there for people.

Joyce: Pray for them.

Kristy: Share baked goods.

Called to Serve – First Lutheran Needs You

Sunday School Round-up: Yes! We are restarting the children's education program for kids from age 3-5th grade in the fall of 2021. But for now, come join our families with these age children for fellowship and conversation at a Sunday School Round-up / "getting to know you" type event. The kids can play in the park while parents discuss opportunities to reorganize and support our children's education program. **It is Wed. May 19, at 5:30 pm. In Southwest Park** – (west of the church) if it's nice – in the Fellowship hall if it's not so nice. Food will be provided - no need to cook supper that evening! Please RSVP to the church (835-5837) if you can attend, so we know how much pizza to order. (FYI – First Lutheran has about 25 families with children in this age group.)

Let Mark Zinnel know if you can help with parsonage lawn mowing this summer. All ages welcome, if you can safely run the mower.

The Property Management committee is working on landscaping projects at the church and parsonage this summer. Let Scott Sterud know if you can help as projects are planned.

Financial Update

We are thankful for the donations given to mission causes through our noisy offering bucket in the Narthex each week. Last week we contributed \$158 to the Lutheran Disaster Relief campaign.

Another important lesson from the "noisy offering" bucket is to help teach our children and youth generosity. Especially now when no offering plates being passed and automatic account withdrawals are common. Most often we learn generosity from our parents, think about your role models for generosity. By encouraging our kids to put some spare change or a portion of their earnings / allowance in the "bucket" each week we teach them:

1. To exhibit generous behavior and set that example.
2. We place importance on intentionally giving to identified needs.
3. We develop the act of sharing as part of their identity
4. We can teach children about specific needs in the community and world.

"God doesn't need your ability – He just needs your availability."

Dr. Derwin Gray, from "The Good Life"

~ Nancy Johnson

Now there are Four Methods to use Simply Giving

1. Your church offerings can be made weekly, every other week, or monthly through electronic funds transfer from your checking or savings account
2. Free Mobile Giving App enables your church offerings to be made securely from anywhere, with 1-tap. Plus, it's completely FREE!
3. You will be able to use your Credit card at the Church.
4. Below is a Quick Response (QR) code. When you scan this barcode-like QR code image with a smartphone's QR decoder, it will instantly connect you to the mobile version of the church's web page.

CHURCH COUNCIL

First Lutheran Church Council Meeting Minutes – April 14, 2021

Members Present: Pastor Joyce, Nancy Johnson, Brenda Kellen, Craig Thies, Tami Taubert, Sharlene Ludolph, Kristi Henriksen, Dave Dulas, Scott Sterud, Kristen Brockberg, and Chris Hollingsworth.

Call to Order: President Nancy Johnson called the meeting to order at 7:55 PM.

Treasurer's Report: Sharlene L. presented the financial reports, the reserve fund report, and the accounts payable report. These were reviewed and discussed by the Council. Sharlene will send a sales tax-exempt certificate to Computers & Beyond. Kristi H. made a motion to approve the Treasurer's report as written and to pay the accounts payable with the following changes: do not pay the Malware charges, do not pay Dwight, and do not pay the sales tax to Computers & Beyond. Tami T. 2nd the motion and it was approved.

Devotions: We watched a Growing Young video – Take Jesus' Message Seriously. There was discussion. The Council is to read chapter 5 in the Growing Young book for next month's devotion and to look up on their cell phones "If Starbucks marketed like a Church".

Secretary's Report: The minutes from the March meeting were reviewed. Brenda K. made a motion to approve the minutes as printed, 2nd by Dave D. Motion was approved.

Pastor's Report:

- We need Readers & Communion Servers for worship services. A sign-up sheet was passed around. It was noted that the Offering assistant duties are from Council meeting to Council meeting.
- Pastor Joyce fell outside of the church and broke her hand. The sidewalk will be looked at where this happened. Pastor and Ron went on a short trip after Easter.
- Confirmation will be wrapped - up over the next 3 weeks, with a meeting every week. Sermon notes have been a struggle this year because of inability to attend service and watching sermons. 20 sermon notes are required every year of confirmation.
- May 9th is Senior Sunday. There are 7 Seniors who will be presented quilts. May 12th is our next Council meeting and that is also when Baccalaureate is. Council meeting will be moved to May 19th.
- Pastor Joyce is working on getting Baptisms back into the Sunday Service. During Covid, a lot of private Baptisms were done.
- Mission Minute during worship service will be replaced with Faith Sharing by members. It was suggested that Council Members do this during the month they do the offering.
- Pastor Joyce has gotten back to doing nursing home and assisted living services. She has been doing more home visits. Pastor talked to 9 different people today. People have had a lot of needs during

Covid. Pastor is looking at taking a Sunday off in June.

- Pastor asked the Council what have you missed during Covid – coffee, Sunday School, greeting and sharing the peace. She also asked what have you learned during Covid and what would you like to keep doing – Facebook service numbers are going down.
- Pastor Joyce is thinking about getting a group together to look at the Church's Mission Statement & the Church's Values to review these and update them. They have not been looked at for 8 years. We need to keep the Church moving forward.

President's Report: No report.

Vice-President's Report: Craig will be working on the insurance form for Pastor's injury. There will be a property insurance review on the parsonage. Craig & Mike Straw will be meeting with Vast on internet issues in the Church. There needs to be consistent internet coverage throughout the Church.

Committee Reports – Round Table

- **Mission & Outreach** – Kristi H. – The noisy offering for May will be going to Shetek Camp. She received a letter from the SF Banquet asking for us to help serve in June.
- **Worship** – Tami T. – Discussed recording a service message during the week rather than continuing with Facebook Live. There are not enough volunteers to help with recording it live, because people are getting busy. The committee will discuss finding other people to help. The committee is still working on their committee description.
- **Sunday School** – Kristen B. – Discussed different ideas for Sunday School and a Sunday School roundup pizza party. Ingrid and Kristen are working on Sunday School options and curriculum. Looking at Wednesday nights as an option.
- **Property Management** – Scott S. – Upcoming projects: They will clean the church carpets after preschool is done, fix the garage door at the parsonage, finish landscaping the church, and clean the church murals. They are looking for donations to help with the landscaping.
- **Adult Ed** – Brenda K. – Last Sunday 4 people met to discuss the book. There are only a couple of Sundays left.
- **Congregational Life** – Dave D. – They worked with Pastor Joyce to create a survey about what the congregation's interests are. He will send the survey to Ellie tomorrow and they hope to have some results by next Council meeting. The survey is through Survey Monkey and there will be some paper copies to distribute for those without email.
- **Youth** – Erin M. – No report.

Old Business

- **Bank Account signatures** – The account signatures are finally done. One account was missing a last name. Nancy will get this sent in next week.
- **Tech Update** – We received 2 quotes on computers and went with the quote from Computers & Beyond. One computer is up and working. The other one is on its way. Discussed printers.

New Business

- Church Web Page – Reviewed the church's web page and discussed ideas to change and improve it. Looking at the web page on the computer is a different view than on your phone. Nancy and Pastor Joyce will give the ideas to Kelli for her to improve the web page.

Adjournment: The meeting was adjourned at 9:38 pm, with the Closing Prayer.

Chris Hollingsworth, Secretary

HELP WANTED

With spring right around the corner; that means it won't be long before we put away the snow blower and drag out the lawn mower. First Lutheran Church is looking for congregational families or individuals that would be willing to volunteer to mow the Parsonage for the season. If you are willing to assist us with this task, please call Mark Zinnel at the church office. Depending upon the number of parties interested in helping out, a schedule will be set up to assign lawn care responsibilities throughout the summer. Please consider helping us out.

May 2021

Dear FLCW,

I hope you are all having a nice spring! My family is busy with farm work. Many of you are anxious to plant gardens for the wonderful produce they provide us later this year.

Thank you to all who attended the FLCW Group Circle Potluck. We had a nice group. The discussion was interesting. The food was yummy! We will be doing something similar in May.

FLCW Brunch will be held on Tuesday, May 18 at 10am in the Fireside Room. We will have a brunch with a breakfast casserole. Bring items that will complement that. We will be studying the May Gather devotional, "The Journey of Generations." Please bring a photo or memento of someone of another generation that is or was important to you. We will be sharing stories.

Quilts will be presented to 7 graduates on Sunday, May 9 during the worship service. Thank you to all who helped make these gifts for our young people as they go off into the world. May these bring them comfort and a reminder that they are Children of God.

Quilting will continue during the summer on the second and fourth Thursdays of each month at 9:30am. Next year we have 10 graduates-7 boys and 3 girls.

The Shetek Quilt Auction will be held on-site this year on Friday and Saturday, June 25 & 26. Look for the posters with more information coming soon. If you have something you would like to donate to the auction, please let Kristy know and she can deliver it to the camp.

We are collecting items for Personal Care Kits until May 15. Bring the items to church and place them on or under the table in the narthex. Items needed are:

*Bath towels *2 bars of soap (4-5 ozs.) *metal nail clippers *sturdy combs

We have plenty of toothbrushes.

It is mud season, so think about getting a new denim rug for your house or as a gift for someone. All proceeds help pay for youth to attend camp at Shetek.

Remember, the Spring Salad Luncheon will be held this year. Maybe sometime in the future.

Stay healthy and happy!

See you in church!
