Greetings faithful people
of First Lutheran:

I was sorting through
some drawers at home
and came across a series
of pictures. One said,
honor the past, another
rejoice in the present,
and the third embrace
the future. I cannot
remember when I took
them or where I took
them. Yet I thought
those are key phrases that describe this time we are living at
First Lutheran.

Honor our past. What does that mean? Honor is to hold in high regard, or high respect, or revere. As I think not just about the 8 years that I have been here, but also the history of First Lutheran, for there is much to respect and honor. First Lutheran began in 1892. Faithful men and women since then have come and gone. Faithful men and women have served in

many capacities here and have worshiped. What I respect or honor about the past is that through stormy times, times of celebration, times of growth, times of loss, times of weddings and baptisms, and times depression and lack of income, the church continues to thrive and survive. Why? Because the foundation of the church is Jesus Christ and the message of "Christ has died, Christ has risen, and Christ will come again" is at the heart of our mission and ministry.

We show respect and honor of the past by carrying on the legacy of nameless and forgotten men and women who has faithfully served God, one another, and built this church. Now is the time for each of us to look within ourselves and ask, "God, what is the task you are calling me to be part of as First Lutheran embraces the future you have for us? Now is the time to remember the past and give thanks for faithful men and women who have led, guided, prayed, led worship, taught Sunday School, served as custodians, served as a funeral committee, served at Kaffi-Ti, filled communion cups, and sat in the pews and sang and worshiped the living God. The list goes on.

We honor the past as we remember our identity as Lutherans. Faith Alone, Scripture Alone and Grace alone. We honor the past by reminding ourselves that the church is here for the sake of the neighbor and building one another up in the faith. Faith Alone- we are saved by grace through faith. Luther said faith is, "a living, bold trust in God's grace, so certain of God's favor that it would risk death a thousand times trusting in it." I love that definition. Faith is God's work in us, that changes us and gives new life. May we as we look ahead hold on to God's promises and know that God who has begun a good work in us will continue to build the church.

As Lutherans, we believe in Scripture alone. Scripture is the written word of God. Scripture is Jesus the living word of God. Scripture is the supreme authority of the church. As people of faith may we this fall dust off the Bible and as individuals and families dig into the word of God. I think of Psalm 119:105, "Thy word is a lamp unto my feet and light unto my path." May God's word guide us into the future as the word has rooted us in the past.

As we honor the past, we are reminded that we live by God's grace. God's grace is God granting us that which we do not deserve. Think of your life and the church and all that we been given. We have life, forgiveness of sins, hope, love, joy, and peace. All gifts of God.

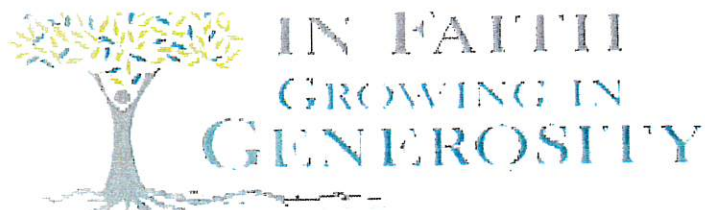

Let us in September pause and honor the past by giving thanks for all that has been and praying for all that is yet to be.

Prayer for September:

O God, you have called your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go, but only that your hand is leading us and your love supporting us; through Jesus Christ our Lord.

Amen.

Pastor Joyce

Cultivating Generous Congregations – August 2021

Stories of Generosity

Thank you to the Outreach and Mission Committee for organizing the Lutheran World Relief back pack project. We had an assembly line of members filling 100 back packs with school materials after services in August. A tracking label will be attached to some so we can get feedback on where they are delivered and used.

A big thank you is due to all who worked in the fair food stand. The fellowship shared working shifts at the fair is a memory our youth will always carry with them. We appreciate Erin Musch, Mark Zinnel and Joyce Colvin for their leadership and organization skills.

Called to Serve

We are working on setting up some new projects that will be sustainable through the transition period ahead of us.

Pastor Joyce is training volunteers to serve as our visitor team. The members will provide contacts through the church to those in need of visitation in their homes or care settings. If you have benefited from pastoral visits in the past, you know how important this team will be. Give them your support and encouragement as they develop this important mission. Details are yet to be worked out but if you are interested in making connections with those in need of visitation, please let Pastor Joyce know.

First Lutheran is also starting a new education program called "Living in Faith Together" (L.I.F.T). It will be a joint effort of the Sunday School and Adult Education Committees. Intended for parents and children, this Wednesday evening program will provide support and education on growing in faith to families in the congregation. We thank Kristen Brockberg for taking a leadership role in this project. Be watching for more information. Support the program with your help and prayers as we work to teach our young people about what it means to follow Jesus.

Financial Update

This month the Property and Management Committee has been working with the custodians to develop job descriptions and an employment agreement beneficial to both parties. Our custodians, Mark Zinnel and Melissa Burnett are now employees of the Church rather than independent contractors.

"Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me". Matthew 25:40

2021 Fair Stand

We had a very good turn out this year after the pandemic- everyone wanted to get out to see & talk to people. We were very successful this year. I want to thank all of you who came out to share the best Walking Tacos & Burgers @ the 2021 Pipestone County Fair!

A big thank you to the wonderful, polite, friendly & outgoing Youth of First Lutheran Church! Thank you also to those of you who came out to help clean the Fair stand, which was a bit of a mess after not being used last year. Thank you to: Julie Colvin for being our runner; Mark Zinnel for all the numerous jobs he did - cook, taco maker, handyman to name a few; Paul Johnson for making sure we had the right amount of money & keeping it for us; Tami for getting the schedules filled and all the other things she did for us; all the Youth, parents & volunteers and local businesses who helped make the Fair stand a success.

I would like to extend a personal thank you to Dayton, the Assistant Manager for this year. Dayton is a wonderful young man.

I'm sure there are many others - I don't want anyone left out, so thank you all for a wonderful Fair Stand. I want to wish whoever takes my spot as Manager next year, to enjoy it as much as I have for the 3 years I managed. The Youth are such a pleasure . Don't be afraid it is great and lots of fun.

~ Joyce Colvin, Fair Stand Manager

**** Empty Ice cream pails were placed on the Fair stand counters for "World Hunger" donations. A total of \$228.79 was collected for World Hunger.

FROM FIRST LUTHERAN CHURCH'S ENDOWMENT COMMITTEE:

Everyone has an estate, no matter how small or large, consisting of everything you own such as your home, car, property, land, furniture and personal possessions. Checking and savings accounts, investments, life insurance and retirement plans also are included in one's estate. Making a plan in advance of one's death or incapacitation is the best way possible to control how these items are given to the people or organizations one cares about most—ensuring your wishes are met! Creating instructions stating whom you want to receive something of yours, what you want them to receive, and when they are to receive it are integral parts, but not all, of estate planning. Writing down what should happen with one's money and assets, including retirement savings, in a basic estate plan shows solid business acumen and will protect the financial and legal interests of one's survivors. Three extremely essential estate planning tools are: a will or living trust; an advance healthcare directive or proxy; and a durable power of attorney. Unfortunately, less than 20% of Americans age 55 and older have set these up. Seeking fundamental estate planning guidance from an attorney or financial professional can get one on the right track ensuring finances are handled according to his/her wishes thereby safeguarding the survivor's legal interests. Thinking of others and making good stewardship decisions sooner rather than later are responsibilities we all have. We encourage you to create your legacy by establishing your estate plan using the many gifts you've received. Should you have questions feel free to contact First Lutheran Church's Endowment Committee.

SHETEK Lutheran Ministries "Thank You"

September 2021

Dear FLCW,

Here we are ready to start our Fall activities! I hope you all had a wonderful summer. Here is a recap of our summer events.

Our summer trip to Sioux Falls was a fun day. Eight of us traveled to Sioux Falls to visit the Heritage Village at Augustana University. We learned about church life on the prairie for early settlers, learning in a one-room school, and how Rolvaag wrote his important books on realistic Norwegian immigration life. We had lunch at Grille 26. The afternoon was a tour of the restored St. Joseph's Cathedral. It was stunning to see; and to hear how it was done. Removing several layers of paint on the décor and restoring the doors, altar, and other things that had been done throughout the years to make it more "modern and inviting." Major repair was needed-either fix it or start a new building!! Where shall we go next time???

Our first group circle meeting of the fall will be on Thursday, September 16 at 9am at Finnian's Coffee House. Bring your Sept/Oct Gather magazine and your Bible. I was told that from now on each Gather will arrive every other month-Sept/Oct, Nov/Dec, etc. Coffee and goodies are on your own. We will order first and then do the study. Hope to see many of you there. A room is reserved just for us.

Quilting will be on the 2nd and 4th Thursdays of the month. In September that will be the 9th and the 23rd. There are 5 Thursdays in September so we may do an extra one! We have 10 graduates in 2022 so we have some work to do.

As previously mentioned, Kaffi Ti will be held this year with the tea table back along with the bake sale. There will be no bake days. Everyone, plan to make your specialties. Let me know if you are making lefse, krumkake, fruit soup, rommegrot, cookies, etc. The Straws are making rosettes for us again this year. Kaffi Ti is on Saturday, December 11th 9-11am. Sign-up sheets will be available later.

Paul and I made a trip up to the Lutheran World Relief warehouse in South St. Paul recently. We delivered 144 School Kits, 38 Personal Care Kits, and 14 Quilts. These are items assembled in 2019 and 2020. Twenty-five of the Personal Care Kits were from this spring and summer. We are still working on the School Kits for 2021. I will get that number to you next month. It should be 80-90 kits!!!

The Shetek Fall Gathering will be held on Saturday, September 18 at Shetek Lutheran Ministries. Let me know if you would like to attend. It is in the morning and concludes with lunch. Cost is \$12.00.

Please remember to pray for a safe harvest this fall. It is predicted to be an early one. The weather has been so dry that yields could be disappointing. Let us pray that it is better than expected. Farmers really live through faith every year they plant those seeds.

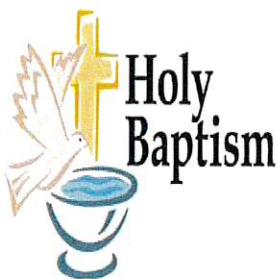

See you in church! Kristy

Companion Synod

We are a church that believes God is calling us into the world – together.

The ELCA has companion synod relationships that connect Lutheran churches throughout the world with ELCA synods and congregations. These relationships are rooted in “accompaniment,” which promotes the values of mutuality, inclusivity, vulnerability, empowerment, and sustainability. Through the program, companion churches and ELCA synods nurture and strengthen one another for life and ministry through prayer, study, communication, exchange of visitors, and sharing of resources.

The Evangelical Lutheran Church in Southern Africa – South Eastern Diocese is our synod’s companion.

Companion synod relationships, including the one between Southwestern Minnesota Synod and the South Eastern Diocese of the ELCSA, began in 1990. The relationship was promoted primarily by exchange of visits by bishops and church officials of the companion partners. In 2005 it was decided to expand the relationship to the local level by pairing the 10 circuits of the South Eastern Diocese with the 10 conferences of Southwestern Minnesota Synod, so that people from the companions could come to know, walk with, and join each other in ministry and projects.

Through these connections, we have benefitted from learning about reconciliation and forgiveness from our South African companions. We have also learned about poverty, racism, amazing singing, and people having great faith in very difficult situations.

Some realities are pervasive throughout the diocese. The realities created by the 350 years of Apartheid and racism continue in South Africa despite the election of Nelson Mandela in 1994. HIV/AIDS presents grave health issues and has created many orphans and much poverty. The climate of the diocese is very hard on their church buildings.

Some realities are pervasive throughout the diocese. The realities created by the 350 years of Apartheid and racism continue in South Africa despite the election of Nelson Mandela in 1994. HIV/AIDS presents grave health issues and has created many orphans and much poverty. The climate of the diocese is very hard on their church buildings.

Early in the circuit-conference relationships, it was decided that we could work together to combat HIV/AIDS through both a diocesan HIV/AIDS coordinator and circuits carrying on their own ministries. Thus, our conferences have annually supported a diocesan HIV/AIDS coordinator, and conferences are still encouraged to support the diocese's Health and Wellness Committee's efforts to combat HIV/AIDS.

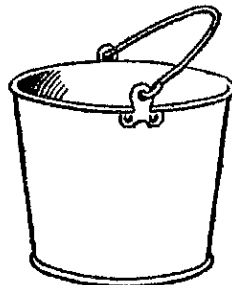

All conferences and circuits have worked commonly to provide required school uniforms for children. Students from poor families are not able to afford \$50 a year for uniforms.

Conferences also work to help with various kinds of building projects in the circuits since parsonages and sanctuaries need to be repaired and most of their offerings go to pastors' low salaries. Buildings are neglected because the local church does not own either the parsonage or sanctuary.

Conferences and circuits, in their discussions and relationships, develop their own ministries and projects together. There is room for creativity in relationships. Some circuits and conferences are quite urban while others are very rural. Several of our conferences are very involved with helping with agricultural projects with their companion circuits in growing community gardens and raising chickens and rabbits. The diocese also appreciates pastors helping with preaching and teaching about stewardship.

DURING THE MONTHS OF SEPTEMBER AND OCTOBER THE NOISY OFFERING WILL GO TO SUPPORT OUR PARTNERSHIP WITH THE ODINI CIRCUIT.

The Board of Outreach and Missions want to thank you for your generous support of our Noisy Offering. So far this year YOU the people of First Lutheran have given many coins and dollar bills to support different ministries. Those ministries include: Shetek Lutheran Ministries, ELCA World Hunger, Lutheran Disaster Response, the local food shelf, and the Wellness Room at Pipestone Area Schools. Your generous support of money in the buckets has amounted to **\$2,680.17!!!** Amazing! Thank you so much for caring and reaching out to others outside of the church building.
