Who we are

We started our operations in the Kingdom of Saudi Arabia in 2007, having Head Office at Jeddah, under the name of Seven Star International General Contracting Company. We are in the field of contracting business with major concentration on the sophisticated External & Internal Building / Finishing works. With passing time, we have focused on enhancing our expertise in the Interior - Fit out works, Civil & MEP Works as a result of the increased to market demand since many internationally acclaimed brands started expanding their business footprint in Saudi Arabia owing to interest of the local population as well as the tourism.

Our firm is a full-service institution enabling the provision of Civil & MEP works, Fitout & Retails Stores, Façade Designing, ACP Cladding Panel & Turn key projects and contracting / construction facilities to its valued customers throughout the Kingdom of Saudi Arabia.

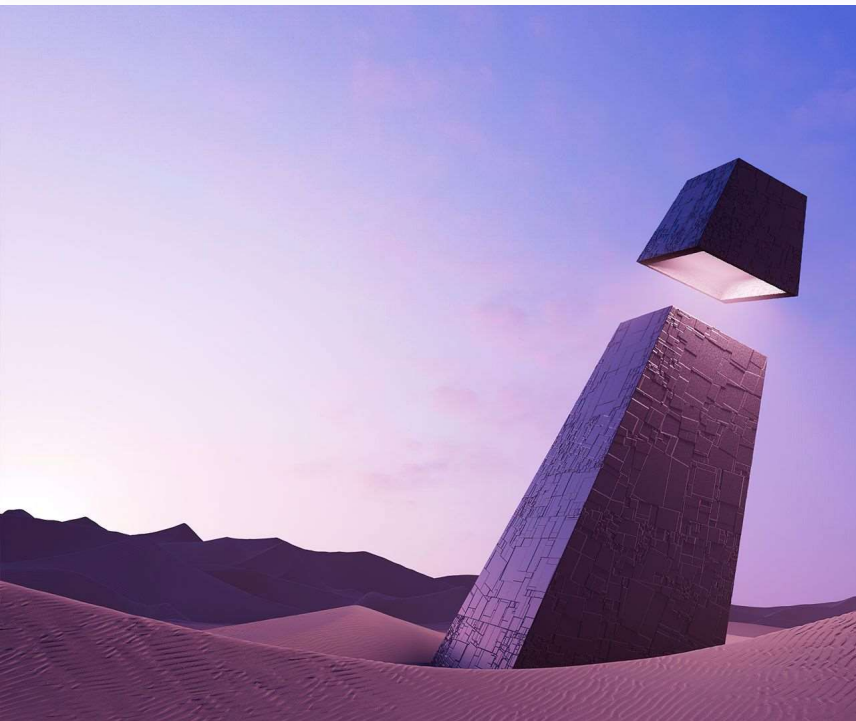

We believe in providing efficient services in an effective manner. We are a progressive service institution, forever striving to offer innovative products and quality services in easily accessible ways for greater customer convenience. We offer value added to projects and customized consumer solutions with our Technical Core Team. We also offer consultancy and advisory services, along with a wide array of tools to help customers achieve their business goals.
