## Jesse Hatfield

( September 13, 1984 - December 25, 2024 )

It is with a heavy heart that we are here today to say goodbye to Jesse. We are also here to celebrate the life and the impact he made on each and every one of us. Jesse Wayne Hatfield, at the age of 40 resided in Vassar Michigan. On December 17th he was taken by ambulance due to illness and spent the remainder of his days there till his passing December 25th. Jesse was born on Thursday September 13th, 1984, in Saginaw and welcomed to the world by his parents Kathy and Wayne Hatfield. He came to have a total of 4 sisters. Bree, Chandra, Shawna and Shaneen. Jesse attended Vassar Public Schools and attended the Tuscola Technology Center to study Agricultural Science to help pursue working with animals. He also worked as a Co-op student at the Vassar Veterinary Center and continued his schooling in college. He had a love for animals that was indescribable. A farmer at heart. He was proud to be a part of Tuscola County 4-H as a child and continued to work with the younger generations throughout the years. It started with his sisters each year and as they grew families of their own, he made sure to continue the tradition. He always made sure that his nieces and nephews were prepared each year for the annual event. He helped teach them responsibility and how to care for the animals. Jesse spent a total of 10 years working as a dog groomer with not only a family member but also one of his best friends. In the 10 years he only missed 2 days because he loved working with the animals and having his friend by his side.

Jesse is survived by his parents Wayne and Kathy (Allen) Hatfield. Four sisters: Bree (Brett) Waterson, Chandra (Michael) Hatfield, Shawna (Jeff) Hecht, and Shaneen (Doug) Hess. Twelve nieces and nephews. Darien, Travis, Melody, Zoey, Michael, Lukas, Royal, Violet, Koda, Emilee, and Allies. His grandmother, Cathern Hatfield. He was preceded in death by his grandparents: Laur and Verna Mae Allen, and Floyd Hatfield.
