Draft decision -/CMA.8

Implementation of the guidance on cooperative approaches referred to in Article 6, paragraph 2, of the Paris Agreement

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

Recalling decisions 2/CMA.3, 6/CMA.4, 4/CMA.6 and 19/CMA.7,

1. *Takes note* of the annual report by the secretariat for 2026 on implementation of the guidance on cooperative approaches referred to in Article 6, paragraph 2, of the Paris Agreement;[1]

2. *Notes* Parties' progress in implementing cooperative approaches referred to in Article[2] 6, paragraph 2, as at 18 November 2026, as demonstrated by the information on 66 cooperative approaches, the reports and information submitted by Parties under Article 6, paragraph 2 (initial reports[3] by 26 Parties, updated initial reports[4] by 3 Parties, annual information[5] by 9 Parties and regular information[6] by 3 Parties) and the information on 71 authorizations submitted by 21 Parties;[7]

3. *Expresses appreciation* to the secretariat for its progress in implementing its mandated tasks related to the implementation of the guidance on cooperative approaches;[8]

4. *Recognizes* the importance of continuous improvement in implementing the guidance on cooperative approaches, informed by experience gained and lessons learned, while taking into account different national circumstances and capacities;

I. Article 6 technical expert reviews

5. *Expresses appreciation* to the Article 6 technical expert review teams and the secretariat for the Article 6 technical expert reviews undertaken to date and to Parties for constructive engagement in the review process;

6. *Welcomes* the publication of the Article 6 technical expert review reports from the first two centralized Article 6 technical expert review cycles on the centralized accounting and reporting platform;[9]

7. *Recalls* that Article 6 technical expert review reports are to be made publicly available;[10]

8. *Invites* Parties to nominate experts for the Article 6 technical expert reviews with a view to ensuring a sufficient pool of reviewers in the long term, noting that such experts nominated by developed countries are insufficiently represented on the UNFCCC roster of experts;

9. *Takes note* of the compilation and synthesis report by the secretariat on the results of the Article 6 technical expert review of the reports submitted by Parties participating in

8 Contained in decision 2/CMA.3, annex.
9 The Article 6 technical expert review reports are available at https://unfccc.int/process-and-meetings/the-paris-agreement/article-6/article-62/carp/cooperative-approaches.
10 Decision 2/CMA.3, annex, para. 28.

cooperative approaches referred to in Article 6, paragraph 2, of the Paris Agreement,[11] including the recurring themes and lessons learned identified therein;

10. *Requests* the secretariat to ensure that information on the determinations by the Article 6 technical expert review teams whether additional information would result in the resolution of inconsistencies in part or in full if included in future reports by the relevant participating Parties is reflected in the annual compilation and synthesis report;

11. *Also requests* the secretariat to include information on the implementation of the Article 6 code of practice,[12] including the provisions on conflict of interest, in the annual compilation and synthesis report;

12. *Further requests* the secretariat to finalize and make publicly available the review practice guidance for the Article 6 technical expert reviews as soon as possible, and to continue to identify and implement means to enhance the efficiency of the Article 6 technical expert review process while ensuring that the Article 6 technical expert reviews are conducted in accordance with the guidelines for the Article 6 technical expert reviews referred to in decision 2/CMA.3, annex, chapter V (Review);[13]

13. *Welcomes* the informal interactive dialogue on the results of the Article 6 technical expert reviews held at this session;

14. *Requests* the secretariat to organize a further informal interactive dialogue on the results of the Article 6 technical expert reviews, to be held in a facilitative, non-punitive and non-prescriptive manner in conjunction with the sixty-sixth sessions of the subsidiary bodies (June 2027);

II. Reporting and infrastructure

15. *Requests* the secretariat to prioritize the development and completion of the centralized accounting and reporting platform and the Article 6 database referred to in the annex to decision 2/CMA.3, including all functionalities specified in decisions 2/CMA.3, 6/CMA.4 and 4/CMA.6;

16. *Welcomes* the launch of the first version of the international registry referred to in the annex to decision 2/CMA.3 and its additional registry services referred to in decision 4/CMA.6, paragraph 50;

17. *Recalls* the strong encouragement to participating Parties and stakeholders participating in cooperative approaches to commit to contribute resources for adaptation, in particular through contributions to the Adaptation Fund;[14]

18. *Also recalls* the strong encouragement to participating Parties and stakeholders participating in cooperative approaches to cancel internationally transferred mitigation outcomes that are not counted towards any Party's nationally determined contribution or for other international mitigation purposes, to deliver overall mitigation in global emissions;[15]

19. *Expresses appreciation* to participating Parties and stakeholders participating in cooperative approaches that have committed to contributing resources for adaptation and to cancelling internationally transferred mitigation outcomes to deliver overall mitigation in global emissions;

20. *Notes* the updates to the common nomenclatures made available by the secretariat through the centralized accounting and reporting platform, as well as the updated process developed by the secretariat for requesting the establishment of and changes to common nomenclatures;[16]

III. Capacity-building

21. *Welcomes* the organization by the secretariat, under the capacity-building programme referred to in decision 2/CMA.3, paragraph 12, of the dialogues held in conjunction with the sixty-fourth and sixty-fifth sessions of the Subsidiary Body for Implementation among interested Parties and observers to exchange information and experience in how cooperative approaches in which they participate support ambition and *expresses appreciation* to the presenters at and participants in the dialogues;

22. *Also expresses appreciation* to the secretariat for providing, including through its regional collaboration centres, capacity-building support to Parties, particularly developing country Parties, to facilitate their effective participation in cooperative approaches, and to other stakeholders providing capacity-building support related to Article 6;

23. *Requests* the secretariat to continue implementing activities, including through its regional collaboration centres, aimed at building capacity for preparing initial and updated initial reports under Article 6, paragraph 2,[17] prioritizing the provision of such capacity-building to Parties, particularly developing country Parties;

IV. Administrative, financial and other matters

24. *Expresses concern* about the continued shortfall in resources for mandated tasks of the secretariat relating to Article 6, paragraph 2, and *reiterates* the invitation to Parties to provide voluntary contributions to the trust fund for supplementary activities to enable the full development, establishment and operation of the infrastructure under Article 6, paragraph 2, the conduct of Article 6 technical expert reviews and the capacity-building activities of the secretariat in respect of Article 6, paragraph 2;

25. *Express appreciation* to the Parties that have provided voluntary contributions to the trust fund for supplementary activities;

26. *Stresses* the importance of ensuring adequate, predictable, sustainable funding for the implementation of Article 6, paragraph 2;

27. *Requests* the secretariat to continue to prudently manage the limited resources available for the implementation of Article 6, paragraph 2, including by finding efficiencies;

28. *Takes note* of the estimated budgetary implications of the activities to be undertaken by the secretariat referred to in paragraph 14 above;

29. *Requests* that the actions of the secretariat called for in this decision be undertaken subject to the availability of financial resources.
