

Better Connections Start Here

WELCOME *COTTESMORE*
TO THE
SUMMIT BROADBAND FAMILY

summitfiber.com

Congratulations and Welcome!

We are excited to provide all of your home entertainment and communications needs. Our fiber-optic network solution will provide the fastest Internet speeds, amazing picture quality and excellent call quality.

- Experience ultra-fast Internet with speeds up to 5 Gigabit
That's 5,000 Mbps with unlimited usage - no data caps or throttling!
- Manage your TV viewing both in your home and when you are on the go.
- Instant access to hundreds of your favorite networks in high-definition.

Activating your NEW services is as easy as 1, 2, 3!

1. Speak to one of our friendly representatives to select the services that fit your needs: **1.877.678.6648**
2. Schedule your installation appointment.
3. During your installation, our technician will connect and provide an overview of your new services.

Visit summitbb.com/support for tutorials and additional information surrounding your new services.
